

Glass Rhymes with Ass

by

Vixxy Fox

Keep watch on the glass
N'tie down yor ass
M'joints ache n'twitch
Say'n the storm'll be
A fisherman's bitch.

Whal'n winds
N'ris'n waves
Been spit'n
N'hiss'n
N'kiss'n
All day

Roll along now Jenny
N'rise up the wave
Yor a good boat caught bad
N'yer crewmen are brave

The squall grips us hard
And waves 'cross ya pour
T'is likely as not
We shant be see'n
Our home's far off shore

Whal'n winds
And ris'n waves
Been spit'n
N'hiss'n
N'kiss'n
All day

Roll along now Jenny
N'rise up the wave
Yor a good boat caught bad
N'yer crew's very brave

She buried her head
In the green ugly swell
A mountain of water
Upon the ship fell
Dragging her under
A final berth to keep
Captain, crew, and boy
With Davie Jones now sleep.

Whal'n winds
And ris'n waves
Been spit'n
N'hiss'n
N'kiss'n
All day

Roll along now Jenny
N'rise up the wave
Yor a good boat caught bad
N'yer crew's very brave
