

Battle... Failed?

“But... but... how?” G-Wolf said in disbelief as his Gogoat fainted and return him to his Pokeball. “I had your first two in the bag thrown you do a clean sweep with Houndoom and Dragonite, what the hell?”

G-Wolf’s otter opponent, Akua, and his “boyfriend” Luxray stood there laughing. “It’s called a secret weapon, wolf. And you lost, so time to pay up.” Akua said then crossed his arms over his chest, being serious.

G-Wolf sighed. “Fine. You did win fair and square and a wager is a wager... At least heal my Pokémon while I’m doing it.”

“That’s a reasonable request, sure.” Akua said then walked over and started to heal my Pokémon.

“So, who am I doing it with?” G-Wolf asked, starting to stripe his muscle shirt off.

Akua finished healing my Pokémon then walked to his Houndoom and Dragonite and started to heal them then said, “Houndoom is, while Dragonite takes him at the same time.”

As Akua healed and replied, G-Wolf took off his pants and boxer briefs. “Okay, whatever. Let’s get this over with...” G-Wolf said then dropped to all fours and spread his hole.

Akua finished healing his Houndoom and patted its back. “Go take him, boy. Fill him with your fiery cock and lava cum, don’t knot him though, we don’t want permanent damage.” His Houndoom replied with a bark and leaped over to G-Wolf’s present hole and started to lick at the tight muscle.

G-Wolf balled his fists, trying to not enjoy the tongue licking his tight hole but failed slightly when a moan slipped out. “Ah, fuck. Screw it. I love this, though I prefer to be on the other end.” G-Wolf mumbled into the ground.

Akua’s Houndoom starts to push its tongue inside G-Wolf’s tight channel loosening it for its huge cock. “Ah... fuck. That’s it.” G-Wolf says then takes a hand and stroke his cock starting to come out of his sheath. “Oh, Houndoom. Fill me, please!”

The Houndoom then pull his tongue out of G-Wolf’s hole then looked at Akua, looking for permission before going on. Akua nodded and said, “Take him, Dragonite can get in you that way too.” His Houndoom nodded in understanding and leaped a little to put its front paws on G-Wolf’s back to get into position. Once he was situated on G-Wolf’s back, he started to push his fiery cock inside.

“Damn, your cock it fucking warm, Houndoom.” G-Wolf said, balling his fists in slight pain but moaning in pleasure.

Akua laughed and said, “If his cock is warm, wait until you feel his cum.”

Houndoom gets balls deep inside G-Wolf then looks over to Dragonite and nodded his readiness for Dragonite to take him. So Dragonite walked over and put his scaly cock to Houndoom’s hole. “Drag. Drag. Dragonite. (Lube or no lube, friend?)”

“Hound. Houndoom. (No lube. Push it in me.)” Houndoom said. Dragonite nodded then thrust inside Houndoom’s tight, warm entrance and getting balls deep. The act making Houndoom howling in pain that ended in pleasure.

“That’s it, guys. Now fuck like no tomorrow!” Akua commanded a few feet away, watching the whole thing. Both Houndoom and Dragonite looked to their trainer and nodded in acknowledgement then pulled back and pushed back into quickly, setting up a rhythm.

“Oh, fuck. Feels like both of you are fucking me.” G-Wolf panted out in between thrusts. Both Pokémon gave their own howls in response to the “praise” and started to go even faster.

Akua seemed a little turned on to the show in front of him because he started to pull his sheath and balls from the clothing prion and sat down and started to stroke the exposed cock, it growing more and more. G-Wolf happens to look over to the horny otter and said, “Enjoying the show are you?”

“You bet.” Akua replied, smiling and stroke his fully are cock. “Better you then me.”

“Just want until next time, Akua!” G-Wolf yelled out.

“Whatever, we both know you are enjoying it. Especially Houndoom fiery cock in your tight ass.”

G-Wolf rolls eyes and looks away from his horny otter rival and focus on that said fiery cock in his ass, that he is starting to enjoy and thought he wouldn’t.

“Drag. Dragonite. (I’m close, friend. You are too tight.)” Dragonite said.

“Hound. Houndoom. Hound. (Me too. This wolf bitch is fucking tight too.)” Houndoom replied and as if on cue, Houndoom sped up for a moment before stilling and howling out his lava-like cum in the G-Wolf’s hole.

“Oh. God, that feels good. Who thought lava in your ass would feel good.” G-Wolf said in a pleasure haze and reach for his throbbing cock and tugged a few times before grunting out his release to the ground below him. “Ah.... ah... that was good.” Then his limbs gave out and he fall to the ground, bringing Houndoom and Dragonite with him.

The falling motion that he was forced to go with, did it for Dragonite and he roared out his release as they fell and filled his friend's hole with sticky dragon cum. The three were tired from their actions and just layed on the ground in an exhausted pile.

“Great show, boys.” Akua said, getting up from the ground, still stroking his cock, and walked over to the pile and start to jerk faster. While he jerked, he pulled two Pokeballs from his pocket and return the tired Houndoom and Dragonite. “Rest up, boys. You do a wonderful job.” He said to the Pokeballs then put them away and looked at the exhausted wolf. “Now for my turn.” The otter said, grinning and kneeled behind the spent wolf.

“Wait! What? I didn’t agree to this. We agreed if either of us lost, the winner choose what Pokémon would fuck the other and we done that.” G-Wolf exclaimed and turned over to face his rival.

“That may be true, yes. But you are too tired to resist anyways and that lava cum from Houndoom is warm in your belly, making you even more tired. Perfect time to take advantage of the situation.” Akua explained his motive, moving as G-Wolf moved away, grabbing his legs.

“No. No. No.” G-Wolf said over and over trying to get away from Akua’s grasp but it was useless, it actually made him even more tired. At the point G-Wolf gave up his fighting and slumped to the ground. “Fine. You’re right, I’m too exhausted. Just do it already.”

“With pleasure, wolfy.” Akua said, smirking and grabs G-Wolf’s legs and put them on his shoulders as he entered G-Wolf’s warm and somewhat loosen hole. “Oh... you’re right, that cum does feel good. Even on a cock.” Akua comment as he gets balls deep into the wolf’s ass.

“Quit stalling and fuck me already!” G-Wolf said with displeasure and impatience.

“Fine. For someone that doesn’t want it, sure is impatient.” Akua said then started to pull out. “But who am I to not give what a sexy, chubby wolf like yourself another fuck.” He said then push back in to the tilt.

“Fuck, I think you’re bigger than fucking Houndoom! God.” G-Wolf said, in slight pained voice.

“At least I didn't have him knot your tight hole, could have been worse.”

“Yeah, yeah. Just fuck me. If you want to fuck and us me, do it already!” G-Wolf said. In response, Akua smirks and goes full out on G-Wolf's ass. Slapping his balls hard against G-Wolf's ass, the sound besides the groaning and moaning coming from the exhausted wolf and horny otter.

“Fuck. You're still tight, I'm close.” Akua grunted out.

“Me too, again. Fill me, Akua! Please fill me!” G-Wolf begged.

“With pleasure, friend.” Akua said then stilled and grunted his release into G-Wolf's ass, mixing with Houndoom's lava cum. A moment later, G-Wolf thrustled slightly and spurted a few streams onto his chest then went limp, exhausted from two rounds of sex.

Once Akua finished cumming, he pulled out, cleaned up, and zipped up. “Thanks for the show and fuck, G-. Can't wait until I beat you again.”

G-Wolf just looks at Akua as he cleans up and gets ready to take off. “What if I told you that I lost on purpose, Akua?” He said, sitting up slightly.

Akua was making his leave but turned when he heard what G-Wolf said. “What you mean?”

“Ah...” G-Wolf started, getting off the ground, feeling lava cum and otter cum running down his legs. “I lost to you on purpose. When you suggested that bet, I couldn't be happier. I lost and hoped I'd get a good fucking from one of your Pokémon.”

As G-Wolf explained what he done, you can see Akua's face redden in anger. “You. You. You little shit wolf! Ur!” He said then turned around and walked away, with Luxray following but not before yelling back. “This isn't over yet, G-Wolf! I will win fair and square next time!”

“We'll say about that Akua.” G-Wolf said as Akua got out of earshot and started to get dressed, not carrying about the cum, actually liked the feel of it on his body, and made his way to the next town.
