

The not so big bad wolf

« And save... At last, this report about our latest experimentation is done ! »

She sighed.

« Why it's always to me to do this kind of job ? And blabla, Anna your are a girl, you are better than us in writing things blabla... Bullshit ! I'm as qualified as them in scientific tasks, they just don't want to do the boring part of the job, that's all !

So, let's do a backup copy of this and send it by e-mail to the lab... »

She looked at the calendar near her computer...

« Ah ! They were all asking me to hurry to finish ! We are Saturday morning, I still have three day left to correct it if I need. In your ass ! »

And once the e-mail was sent.

« Aaaaah, better when it's done... They really pissed me off with that... I need a good break now. »

The anthro ewe looked around her.

« Danm ! Too bad I'm single, or I would ask to my boyfriend to relax me with a massag...

Oh ! Wait ! It's not a relaxation center I see the last time I was in the town center ? Hum, I think I will have to give it a try. »

She checked on internet if she can find some information about it.

« Great, they have a website, let's see... Use of natural oil, blabla, Thai massage, blablabla, oh, they even have a steam bath... Ah ! The prices... Oh, it's no so expensive after all ! Let's write down the address to be sure and let's go. »

And after walking for 30 minutes.

« Hello, welcome to the Sin-jin center, what can I do for you ? Says the giraffe behind the desk.

– Hello, thank, I'm just here for a massage, I see on your website you provide different type of massages, may I know more ?

– Oh... it's... specials finishing... you see... say the giraffe with a smile.

– You mean... sexual finishing ? It isn't forbidden ?

– I see... Hmmm, after all... it doesn't seem so bad... I will give it a try.

– Ok, so a Thai massage with specials finishing ?

– Yes.

– I must admit it's a little unusual for a girl to ask for it. By the way, costumer who ask for this option can choose their masseur.

– Really ? Great ! »

The giraffe give the ewe a book.

« Thank you, let's see what you have » She says with a grin.

And after a minute.

« Ok, I choice done, it will be Adam.

– Ah ah ! Yes ! I think too. »

They both laugh a little.

« He's actually free, I will warn him to prepare the room then I will notice you when everything will be ready.

– Thank you. »

The ewe take a seat and wait.

« Hmm, this little guy is way too cute... I... I wonder if the powers Tamani gave me the last time I meet him still works. Ooooh I will have to check that, maybe I can control them to have different results who know? My little Adam, you will make a nice test subject for my experiences. » She thought with a naughty smile on her face.

And after ten minutes.
