

Cutey Powered

[1] Cutey Honey is tossed into a locked section of a Pudding warehouse. CH struggles not noticing Emp inch worming towards her and saying (scaring CH).

[1] Stay here and don't move! I'll be back soon to make sure you're not causing any trouble.

CH: Grrr.

[2] Feh, whatever loser.

[3] Maybe I can... urhg!

[4] Huh?! Who's there??

[5] Uhm... h-hey! My name's Emp!

[6] Uh... hiii~

[2] CH is surprised someone is in there with her. Emp pipes up and explains her usual predicament with exasperation, she wraps up her tangent with a comment on her outfit being as revealing as her own.

1] Emp: So they got you too, huh?

CH: Yeah, I guess.

2] Looks like they went light on your restraints.

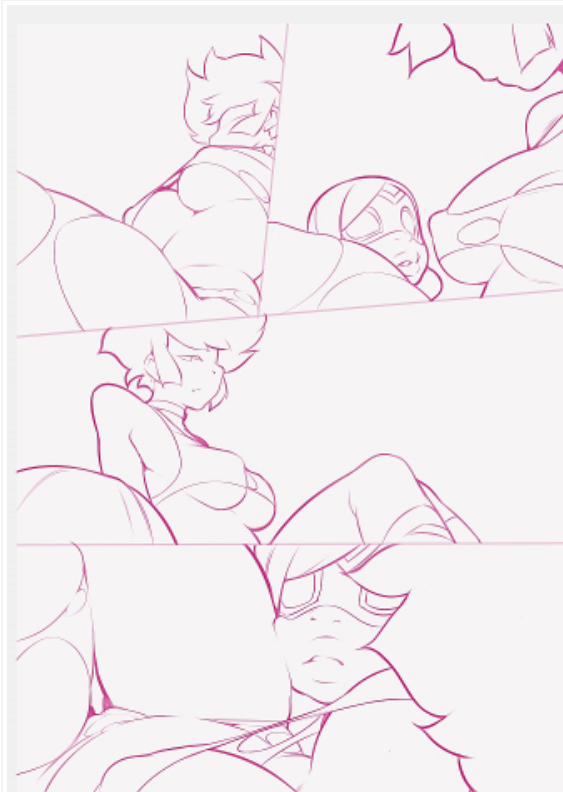

3] CH: I don't... normally get caught.

Emp: Oh!

4] I'm... kinda used to it, unfortunately...

5] Hey, your outfit... oof! (falls over)

CH: (hmmm?)

[3] Cutey Honey having little shame doesn't even register she's barely clothed. She explains she needs food to recharge her batteries and if she does so she can get them both out of there.

1] ...It looks all revealing and junk, like mine.

2] Emp: You're the first person that I met who has the same wardrobe issues as me!

3] CH: Yeah, it gets smaller when I lose energy. Otherwise I'd have bust outta here! I need food to restore my powers, but I'm tied up... exhausted...

4] Emp: Well this is a pudding factory... and those binds are nothing. Here, I'll show you.

CH: ?

[4] Emp realizing they are surrounded by food teaches her how to move in bondage. CH inches towards the foot of a rack.

1] There's a conveyor right over there, we'll knock some down!

2] Here, watch how I do it.

CH but...

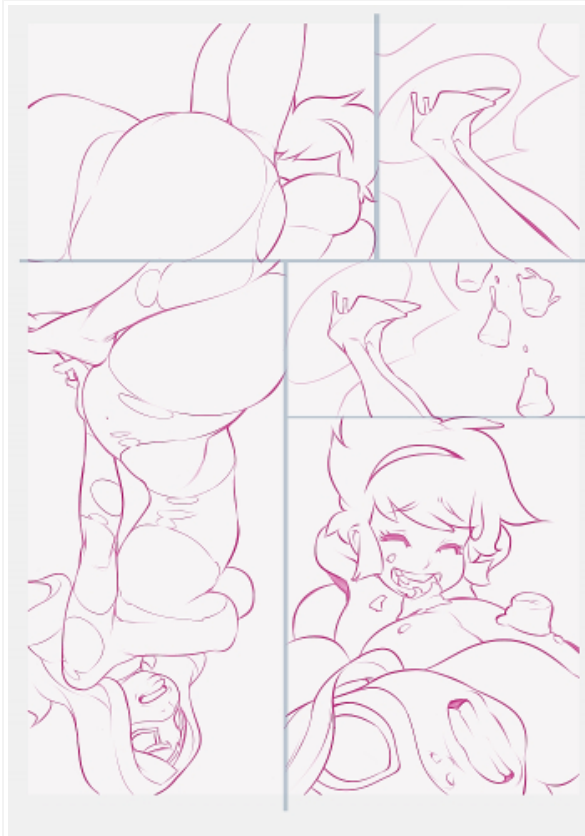

3] squirm squirm

4] Phew, See? Just roll over. Easy!

5] roll smash

6] roll

7] EMP: Hi again!

[5] Kicks it and a pudding falls on Emp's chest, CH keeps kicking covering her in puddings, to Emp's shagrin. She greedily slurps it up off her body making Emp self conscious but also giggle.

1] Emp: OK, kick it!

2] smash

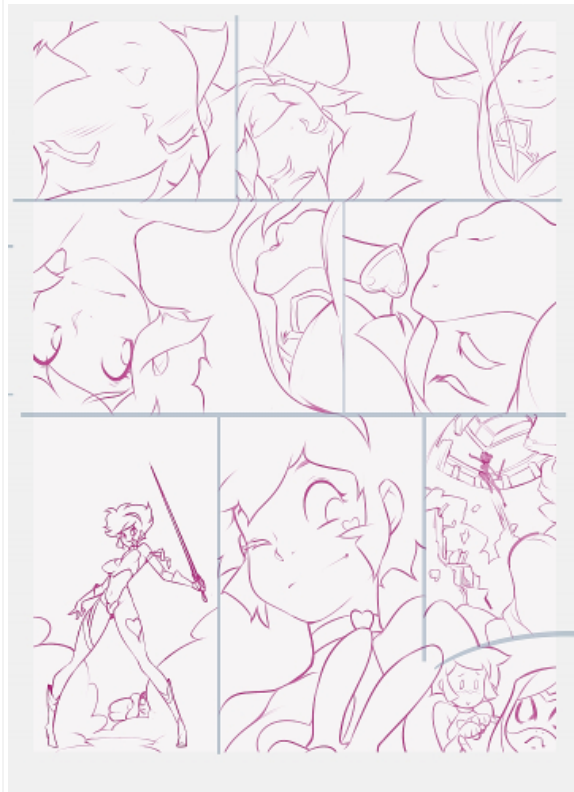

3] EEK!! It's so cold and wet!!

CH: Calm down it's just pudding.

4] Just a few more...

5] Nam nam nam nam

EMP: GyyeeEEH! This is soooooo gross...

[6] Satiated CH belches. With Emp's helps cutie honey transform with a nose boop. She transforms and proceeds to break out and fight of screen leaving Emp still tied. Last panel of CH coming back later and apologizing profusely while untying her.

1] *Burp* satisfying.

2] Hahah Sorry about that! I get carried away when I'm hungry.

Emp: ...yucky.

3] Okay I think I'm good. Could you do me a favor and touch this charm on my neck? You need to if we want to escape.

EMP: That's weird, but ok...

3] Boop

4] CH: Heck YEAH!

Emp: OH! It activates your powers!

5] Thanks Emp. I'll be back in a jiffy!

6] CH: Time to kick some bad-guy booty!

Emp: So cool!

7] 4 hours Later....

CH: Sorry, I forgot about ya...

Emp: Why does this always happen.
