How is it that you keep ending up at MY sprawling Mansion in that tube top, silky thigh high nylons, and tight hot pants? You can no longer resist Dominica's presence in your life as each visit swells your once flat breasts into perky, firm, puckered mounds of sexuality... Body jewelry, sexy boots, slutty make up, and an embossed collar complete the hooker ensemble you will adorn as your training to seduce OTHERS begins. Stare DEEP into the flames of Dominica's desire and fall through space, through time, into a whole new reality. Sexy body curves softening your once angular body making you so much sexier than you could have ever imagined. My sexy, slutty, irresistible little whore will be hung tonight spread wide open and displayed from the door jamb leading to the kitchen so that each sexy genetic female that wants a drink must pass by under your splayed body to gain entrance to the bar for each drink She refills. Blindfolded and bound you find yourself unable to interact in anyway except moans of pleasure as unseen, unknown, uninhibited fingers, mouths and toys explore your every crease, crack, and crevice. FORCED to cum again and again and again so very helpless as Dominica's girlfriends do whatever they want to you all night long teased, seduced, and taken against your will... ring a ling a ling I wonder who's calling???
