Royal Guard : I will do anything for my freedom! Please...Just let's me go.

Changeling A : Did you say that you would do anything?

Royal Guard : Y-Yes. I will do anything....Even give you some love.

Changeling A : Mmmm....I don't think you can give us love. Because it's impossible for you to love a scary monster like us. And even if I disguise like somepony you love, you'd still know it's fake and your heart will not love me....

Royal Guard : B..But I...

Changeling A : But maybe....It have not to be love. We can eat some other emotion too....Like lust. *Grins*

Royal Guard : L...Lust?

Changeling A : Yes. Lust...It's not hard to harvest after all....Just get intimate with the target...Will you be okey to have sex with us?

Changeling B : Ma'am! Is it okey for us to do something like that with our prisoner!?

Changeling A : You don't know how much I miss the taste of lust, soldier. It has been so long since the last time I got some love for myself.

Changeling B : But...If the queen knew...

Changeling A : Shut up, soldier! So...What now, Pony soldier.

Royal Guard : O...Errrr.....Ok....I think I could do that....

Changeling : But...I think it's too easy if you will get freedom just by getting laid with us... We have to make a little deal, dear.

Royal Guard : What deal?

Changeling A : If you make both of us cum before you, you will be free. But if you cum before us, I will make you our personal lust battery for a while. *Evil giggle*

Royal Guard : *Glups* D...Deal...

Changeling A : Let' start with a little warm-up, Pony soldier. Better make you hard up so we can start with the main event. So sit down!

Royal Guard : *Sit on his rear* L-Like this?

Changeling A : Yes. Mmmm. Not bad. Such healthy balls and sheath. Let's see how big is your sword, shall we? *Starts licking Royal Guard's private part*

Royal Guard : *Looking at the changeling in front of him. He doesn't know how he should feel about this. He thinks that he should not enjoy this. To have a scary monster licking his private part like that. But his body seems to react against his will. When his little sword slowly came out from it's sheath and stand so proud in front of both love-eaters.*

Changeling A : It is black! just like us! I love this color. And it is so big *Licks* so long. *Licks more* So hard *Licks one more time* I will enjoy this more than I thought.

Royal Guard : *trying hard not to moan. But it feels too good to prevent his moan to escape from his shut mouth*

Changeling A : Hey, you!! *shouts to another Changeling who stand beside her*

Changeling B : M...Me? *blushing and looking at her boss without knowing what she should do.*

Changeling A : Are you going to stand there and do nothing? Don't you want to have a taste of lust? Come here and help me lick this little sword!

Changeling B : Yes! Ma'am! *Quickly come to sit beside the Royal Guard and start licking his stallion-hood with her boss*

Changeling A : Mmmm. I think your sword is hard enough . *Turns around and raises her tail, presenting her private parts to him*

Changeling B : *Quickly follows what her boss did and present herself to the Royal Guard as well*

Changeling A : It's your turn to prepare us now, pony soldier. Lick me, make me wet!. I will be the first who will take your sword inside.

Royal Guard : *Stand stun with the sigh in front of him*

Changeling A : What are you waiting for? Or is this disturbing you somehow? How rude of you.! Are we not sexy enough for you?

Royal Guard : N...No...It's just...aside the fact that your vagina glows ...you seem not difference from us ponies...

Changeling A : Yeah. Yeah. We are not much difference. You and me. So now, come here and lick me, pony soldier.

Royal Guard : *Nods and comes closer to eat out Changeling A*

Changeling B : *Step aside and see what she can do from now. Until she notice the stallionhood that hanging under Royal Guard's belly. So she....*

Changeling A : Oh....Just like that..Mmmm...You are great, Pony Soldier. You know how to please a mare.

Royal Guard : *Keep licking and make sure to lick the Changeling's clit as much as he can, in order to assure that she will be closer to orgasm than him when they start the main event.* Ahhhhh!!

W...What the!?! *He flinches when he felt something warm and wet touching his stallion-hood*

Changeling A : What happened?

Royal Guard : Y...Your soldier..S...She is sucking my cock down there!

Changeling B : *Laying on her back under Royal Guard, she keeps licking and sucking while pleasure her own sex with her hoof*

Changeling A : You should let her have some fun too, you know?

Royal Guard : B-But..This is cheating! How will I be able to last long enough if she is doing something like this Ahhh!!! *Trying hard to hold his orgasm that is getting closer and closer*

Changeling A : Oh...Ok...It's seem unfair for you I guess. With two sexy mares against one well-built stallion. I will consider this as a little warm-up, so your first cum wont count.

Royal Guard : Really!? T...Thank...H...Hey...C-Changeling down there...I...Is it ok to cum inside your mouth? *Looking down to the submissive Changeling*

Changeling B : *Can't answer because her mouth still full with the stallion's meat. So she just taps her hoof on his chest as a "Yes" *

Changeling A : You can fuck her mouth if you wish. But please don't forget me! *Looking behind to the Royal Guard with annoyed face*

Royal Guard : Yes! Ma'am!! *Turn back to do his job while moving his hip to start fucking the Changeling's mouth under him. It's hard to stay still when he has that tight and warm throat wrap around his cock like this*

Royal Guard : Garrrr!!! *He let out one last grunt and came inside Changeling B's mouth*

Changeling B : !!!! Ah!! *She tried hard to swallow all of Royal Guard's cum. But it too much for her. She let his cock go while it still not done shooting it's load. That made her face was splatted by his remain cum*

Changeling A : Oh. Wow. That's a lot. When was the last time you get laid, dude!

Royal Guard : *Pant* W-well. First, I'm single. Second, I'm soldier. Third, I'm not gay. So no. I never done this with anypony before.
pant *pant*

Changeling A : Really!?! Never have one night stand with any mare before?

Royal Guard : Why do you think I ever done it before?

Changeling A : You seem good with this! You know how to please a mare!

Royal Guard : Erotic novel can do that to you. *Recover from his orgasm and turn to look at a Changeling B who look at him with her cum cover cute face*

Changeling A : Mmm.. You know. You should be a gentlecolt and clean her face for her *Point at Changeling B* with your mouth.
Grin

Royal Guard : W-What! b...But...That's my own se-

Changeling A : How rude of you! My friend here don't mind to suck your cock and drink your cum at all. You can't do that for her?

Changeling B : It's ok, boss. He don't need to do that! I..I can clean it myself. *Tried to clean her face with her hoof. But it ineffective*

Royal Guard : All right! All Right!! I will do it. *He hugged Changeling B and start to lick her face. Clean all of his cum on her face with his tongue*

Changeling B : Y...You don't need to do-

Royal Guard : Just shut up.

Changeling B : *squee and blushing hard*

Changeling A : Now. If you are done take care my soldier. *Turned away and raised her tail. Presented herself for Royal Guard again* Come here and mount me.

Royal Guard : *Lick Changeling B's cheek one last time and walked to Changeling A. He then got on her back and aimed his stallionhood at her entrance.*

Changeling A : Come on. Get in already! *Licking her lips and waited for penetration from the white stallion*

Royal Guard : *Quickly follow his captor's order. He leaned forward and slowly inserted his length into Changeling tight marehood*

Changeling A : *She grunted beneath him as she felt her slit stretching, and gasped in pleasure as the cock slid in. Changeling normally smaller than pony. So his cock is big for her and she like it* More...I want more of you...

Royal Guard : *He worked his hips back and forth in slow, short movements, slowly sliding in deeper and deeper until his tip reached her limit. When it touched the second entrance inside her*

Changeling A : So big...So full....This is why I like male pony...Now...Buck me hard!

Royal Guard : *Faster and faster. He thrust himself in and out of her. But he kinda cheated here. He kept bucking her without letting the ring around his shaft touch or go inside her. Because this part is really sensitive. It might make him not last long if he let this area touch too much*

Changeling A : Yes...Yes!! Don't stop. And don't you dare cum! Cum before me and you will fail our deal! *Forget everything about her deal. She just wanted the stallion to bring her to orgasm. Which will never happen if the stallion finish's before her*

Changeling A : Ahhh!!! *She cries, closing her eyes when her body reaches the orgasm.*

Royal Guard : Gaaarrrrr *Quickly pushes his stallion-hood out of her vagina that starts to squeeze hard on his shaft like it is trying to milk his seed.* Wow...That is so tight....

Changeling A : *pant* *Pant* Not bad, Pony soldier. *lays flat on the ground, panting hard from her pleasure* Even though you have never done this before, you still know how to please a mare.

Royal Guard : Did I already win our deal?

Changeling A : No, no, Pony soldier! You still have another mare to please. *Points her hoof at Changeling B* Come here, Soldier.

Changeling B : I...It's ok ma'am. I...I don't need to be please.
Flinches when she is called while one of her hooves is buried in her sex

Changeling A : It is an order, soldier! Come and win the deal for me.

Changeling B : Y...Yes, ma'am. *Looking at Royal guard with worry face and walking closer to him.*

Royal Guard : What position do you want? * Looking down at Changeling B who's smaller than Changeling A and himself*

Changeling B : M...May I lay on my back?

Royal Guard : I don't mind.

Changeling B : *Nods and slowly lays her back on the ground. She opens her hind legs and presents her soaked little pussy to the Royal Guard*

Royal Guard : *Stands above Changeling B and aim his stallionhood at her entrance. He prepares himself to penetrate her with full force and bury all of his length into her with one thrust, But...*

Changeling B : M...Mister Royal Guard *She says with shaking voice*

Royal Guard : What?

Changeling B : I...I know t-that we might not be on good terms. But may you... *Looks at him with worried face* Please be gentle with me...I...It's...m...my first time too...

Royal Guard : Really...You too? *He says with shocked face. He thought that he was the only one here who still being virgin*

Changeling B : I...I work at the hive all the time..N...Never has been sent to harvest love outside before..a..and...no male Changeling has ever show interest for me before...*Closes her eye and make a sad face* They said that I'm too weak and unattractive...

Royal Guard : *Keeps silence for a minute before he lowed his head near her face and says* I promise I will be gentle...Your first time...our first time will be remembered.

Changeling B : Mmmm...,Ah..... Oh...Ahh!!....*She let out a soft moan as the tip of Royal Guard's shaft pressed against her tight slit, Before

it stretched her tight slit and slowly move itself in. True to his promise. Royal Guard really gently on her here*

Royal Guard : *Groans* Y...You so tight...Really tight....Ahhh... *He grit his teeth while slow move his hip forward. It took him a lot of effort to not breaking his promise and quickly thrust all of his shaft into her.*

Changeling B : I..I'm too tight?...S..Sorry... *Close her eye while speak with him. She dig both of her front hooves beside her. The pleasure and pain between her legs make shivering*

Royal Guard : No. It's good thing. I like it. I like this a lot.

Changeling B : I...I'm sorry that I'm too weak...I know you don't really want to do this with monster like me...But thank you...To be patient with me....

Royal Guard : D...Don't mind it. I...It's not like I'm not enjoy this after all.

Changeling B : I...I think I'm ready now....Y...You can put all in now....*The pain was gone now with pleasure take it place inside her vagina.*

Royal Guard : *He nod and move in until his ring around his shaft finally contact with Changeling's clitoris and slip inside her tight pussy and that...*

Changeling B : Ahhhh!!!! *Her eyes shot wide open and she let out a loud gasp. Her scream make Royal Guard stop himself and look at her with confuse. He going to said something but got interrupted by another Changeling in this cell*

Changeling A : What!?! Did you just cumming!! From just penetrate!?!?!

Changeling B : I...I'm sorry. *Pant* So sorry, ma'am. I...It's just feel so good! *Pant**Pant* I..I'm sorry to let you down...

Changeling A : N....Not feel bad, soldier. It's your first time after all...
Sigh

Changeling B : Y...You can stop now, mister Royal Guard...Y...You win now....*She look back to Royal Guard who still keep his stallionhood inside and look at her with blank face*

Royal Guard : Sorry, but I will not stop.

Changeling B : What do you mea- Ahhh!!! *She moans loudly when Royal Guard starts to rock his hips back and forth.*

Royal Guard : You can't just orgasm and leave me out like this, Changeling!! I want to cum too!! *Moving his face closer to the Changeling'. Looking into her eyes to make her realize how serious he was being*

Changeling B : Ohhh That....Ahhh....Ok....Ookkkkeyyy... I will let you cummm in mee....*Hugged him with both forelegs. She opened her hindlegs more just to let him have more access in her*

Royal Guard : Thank you, little Changeling. *He started to move his hips and enjoy the pleasure from the tight Changeling pussy that wrapped and rubbed his pleasure rod*

Changeling B : B...But maybe I should transform into a pony? So you will be more comfortable with this? Do you have any pony you like? *She sees him keep his eyes closed so she thinks maybe her monster appearance might disturb him somehow.*

Royal Guard : Don't you dare transform into anypony!! *He yelled at Changeling B thrusting his hips hard into her*

Changeling B : Ahhh!!! *Crying hard when she felt the tip of his stallionhood reach the limit of her pleasure hole*

Royal Guard : It will be like I dishonor them somehow if I ask you to transform into any of them. *Looking closer to the Changelings face* Now I don't want to fuck anypony but you. Can you hear me!?!

Changeling B : I heard! I heard!! Ahh....Ohhh,...God buggg!! *She rapidly moan from more pleasure when Royal Guard started to move his hips faster. *

Royal Guard : I like fucking with you. Changeling. I like it....Your small...Your tight...Your shyness. I like it... *He said everything though the moan. The pleasure cloud in his mind made him to speak many things that he was not aware of himself.*

Changeling A : Oh...My God bug....W..What kind of situation is this.... *Looking at the event in front of her made her both shocked and confused*

Changeling B : M...Mister Royal
Guard...something's...Hhhhnnnn!...something's coming! *Her whole body shivered. She hugged Royal Guard tighter*

Royal Guard : I can feel it too! I'm gonna cum!! *He slid his pleasure rod with full speed making the wet splat sound in every rhythm*

Changeling B : Please don't hold back! Please give me all you have! Come with me!! Please cum inside me!!

Royal Guard : I promise I will cum with you!! I promise I will cum inside you!! I will never hold back!

Changeling B : Don't just say it!! Please do it!! You can do it!! I believe you can do it! JUST DO IT!!! *For the first time in her life. She yelled her command to the big white stallion that was bucking her*

Royal Guard : Gahhhhhhhnnnn!!!!!! *With one final thrust, He slammed his hips against her flank with as much power as he could muster. His stallion hood's tip crashed against little Changeling's cervix and released his essence to fill her little womb*

Changeling B : Nyaaaaa So warm...So fulllllll.....*She moan with sweet little sound while her tummy was filled by the white warm fluid that started to pour out of her slit after it have no more space in her hole to fill*

Royal Guard : *Fell down to his side and hugged Changeling B closer to him. Still keeping his rod inside her. Not wanting to let her go for a while*

Changeling A : Why didn't I get the same treatment as her?... *Sigh and looked at the scene in front of her eyes with displease feeling*

Changeling A : Ok! You win. A deal is a deal. You are free to go now, pony soldier.

Royal Guard : Is it really ok for you two to just let me go like this? Will you not have any problem with your queen later?

Changeling A : Hmm! Do you care about us too? Don't worry, young one. Our queen would never care about that we captured a unimportant pony like you. heck! We didn't even tell her yet that we captured you.

Royal Guard : But if she finds out that you let your prisoner-

Changeling A : Do you not want your freedom? Just take it. That's what I'm counting on. I used to want you to be my sex servant. But now I only want you gone. So begone before I change my mind!

Royal Guard : *Looks at both Changelings with worry for one last time before he turns back and walk away.*

Changeling B : *Looks at Royal Guard from behind her boss.*

Changeling A :

Changeling B : *Still looking at Royal Guard who is walking farer away now*

Changeling A : You love him, don't you?

Changeling B : Wah!? N...No...T...That is impossible! I...He....We just met!!

Changeling A : Love doesn't need time, kid. If you love him, just go. If it's true love, keep him and don't let him go.

Changeling B : But the queen-

Changeling A : The queen never have cared about one lowly drone

disappearing. Just like she has never cared about us capturing that lowly soldier.

Changeling B : But he still being our foe. He still sees me as his enemy...A...And I don't know if he loves me or not....

Changeling A : Then better turn him from foe to friend. Use your adorable to win his heart....go on, young one. It's time for you to try to harvest some love.

Changeling B : I...I...Thank you sir! I will do by best *Smiles widely and flies following the white Royal Guard*

Changeling A :Good luck...My dear daughter...You are too good for the life of a Changeling...Just go find your own paradise...*Smiles with a single tear in her eye and walks back into the hive. Going back to serve her cruel queen once more...*

Changeling B : Wait for meeeee!!!! *Calling for Royal Guard who just crossed the border of the Badlands*

Royal Guard : What do you want?! To take back the deal!? Geezzz!!! I should have known that Changelings can't be trusted!

Changeling B : Wait! Please listen to me before you judge me!

Royal Guard : So, what do you want? *He pauses for a moment* Changeling?

Changeling B : M...May I come with you?

Royal Guard : Why? *Lowers his guard and looks confused at the little Changeling in front of him*

Changeling B : For the first time in forever, there has been only one pony who could have sex with Changelings in their real form ... And that pony is you.

Royal Guard : Me? How can I be the first one?

Changeling B : Didn't you see how scary we are? No pony ever give us a chance after they realize that the pony they fell in love and slept with is in fact a Changeling in disguise.

Royal Guard : What I did in that cell was just lust, not love. I just did it to pay for my freedom.

Changeling B : Could it change into love? In the cell I could feel it. You cared for me...You really cared for me when you had sex with me and you leaked some love to me...I can feel some love here...for me... *She touches her chest and close her eyes, still remembering the warmth of love that was given to her and only her*

Changeling B : I want to try. Please give me a chance to be with you.
She transforms into a white filly with the mane of the same color as Royal Guard

Royal Guard : You disguised yourself again. Do you want me to love that fake image of yours? How is it different from what your race has always done with other unlucky ponies out there.

Changeling B : Please just consider this disguise as my clothes. This is for the ponies around you to be comfortable with me. This isn't the same thing my race does with other ponies. Because you know the truth, you know that under this fake image is a monster named Changeling.

Royal Guard : Disguised as a pony but told that it is Changeling underneath....I see how it is different now...But, are you really sure about this? From now on you will live in your enemy's territory.

Changeling B : I don't care. You can even tell your superiors about me being Changeling if you want. I want to take a risk for a better future. And you know what? we Changelings have never seen you as an enemy.

Royal Guard : Not your enemy...but prey or food, right?

Changeling B : No...You are our life saver because we can't live without your love. We never wanted to lie, but you ponies never love us for what we are. That's why we have to disguise ourselves as ponies that you care and love.

Royal Guard : That's because your true-self are a little bit scary and because of your abilities and what you eat.

Changeling B : Yes...I know....But we can't change the way we are born or what we eat...That's why I want to do this....In that jail, when you asked me to be myself while having sex...It made me recover the hope that I almost lost. The hope that some pony might finally love the real me....

Royal Guard : Seem like I can't change your mind. *Sigh* Ok. You can come with me.

Changeling B : Thank you! Mr.Royal Guard!! *She yelled with a happy tone and jumped around Royal Guard with happy face*

Royal Guard : But I will not let you live in my house and do nothing you know? You have to do something to pay for the cost of living....And I don't mind having somepony take care of my house while I'm gone for duty. So be ready to be a good maid for me, Changeling. I hire you.

Changeling B : Maid? Why do I have to be a maid? Can I be your housewife instead?

Royal Guard : *Cough**Cough* Not so fast, little bug. You still need to win my heart in order to make me fall in love with you and ask you for marriage .

Changeling B : Grrr...Harvesting love seems to be more difficult than I thought! But don't worry, Mr. Royal Guard! I will never give up trying to win your heart. *Smiles widely* Someday. You will want to marry me!

Royal Guard : Mmm! That's the spirit! Now move on. We have to reach Appleloosa before evening. Or we will miss the train! *Walked faster and tried to hide his blushing face.*

Changeling B : So now....I will be your maid, right? *She started the conversation again after a long silence of walking together.*

Royal Guard : Yes.

Changeling B : Do I need to wear a maid outfit too? *Walked closer to Royal Guard and see him have a nosebleed.*

Royal Guard : Yes..Yess...It's traditional after all. I will find you some outfits that fit your small body *Wiped the blood off his nose and just kept walking. Trying hard not to look at the adorable filly that ran after him* Now please stop being so adorable. I don't have much body fluid to spare.

Changeling B : I will try my best to win your heart!! *Jumps on the Royal Guard's back and hugs his neck.*

Royal Guard : Ok. Ok....Well....I want to ask you something, changeling.

Changeling B : Ask away, my love.

Royal Guard : Why did you not transform into a mare? An adult pony? Why did you transform into a filly like this?

Changeling B : Sorry, Mr. Royal Guard. I don't have enough mass to transform into an adult pony. This filly pony is the only form I can take.

Royal Guard : And can't you change your hair and body color to a different one?

Changeling B : I'm too weak to create my own color, Mr. Royal Guard. I have to copy the color of a pony I met. And you are the only pony I met since I was born. What's wrong? Did my chosen body disturb you... is it.... is it too ugly for you?

Royal Guard : No... well... it's just.... your disguise as filly makes it look like... I molested a minor or something. *Cough* *Cough* And you also have the same mane color as me... so... mmm... it makes it look like you are my younger sister and our relationship is like incest too...

Changeling B : *Blush* S... sorry about that. But I can't do anything about it. Don't worry, Mr. Royal Guard. I really am an adult. I'm just smaller than any changeling around my own age.

Royal Guard : Well, other ponies don't know that. So we must be careful when we're in public.

Changeling B : Yes, Mr. Royal Guard. I will remember... but you like it, don't you? *Giggle*

Royal Guard : Like what?

Changeling B : When you had sex with me in the cave, you said you liked how small I am. How tight I am down there... doesn't that mean you really like mares that are filly-sized?

Royal Guard : Oh... it... that... *Blushes hard and is speechless*

Changeling B : I'm the mare of your fantasies, no? The pony who can fulfill your forbidden fantasy you have about fillies, right? Right? This will give me a better chance to win your heart! Yeahhhh!!!

Royal Guard : T... time to go now! We have to hurry! So hold on tight! I will run now!! *Changes the topic and starts to run with changeling in disguise as filly still on his back*

Changeling B : Wahhhh!!!! *Wraps her hooves tightly around the Royal Guard to avoid falling from his back. She smiles and thinks:*(You said it will not be easy to make you love me. But now I can feel it... I can taste the love that you feel for me in your heart... maybe this risk will be worth it after all...)

Royal Guard : (Maybe getting caught wasn't all bad...) *He thinks the same thing while running towards the future. The future between Lust and Love*
