

TREASURE HUNT

STORY AND ILLUSTRATOR BY LOVELESS NOVA

----- In one random Ruin -----

Ahuizota : Ah! Such a beautiful artifact! *Walks in a circle around a short pillar with a special artifact floating over it*

Daring Do : For the last time, Ahuizota, don't touch that thing. You don't even know what it was used for. *Daring Do said this in a serious tone of voice while trying to get free from the rope that his sexy archenemy bound him with*

Ahuizota : Oh, hush! I know what it was used for!! The Warrior King in the past used this! It's a tool of power! A tool of war!! With this, I will be the greatest

warlord, just like he was before me! *Grins and moves closer to the artifact*

Daring Do : You're making a mistake... *Sighs*

Ahuizota : You can't stop me this time, Daring. Finally, after all those times that you stole the artifacts from me! This time, the artifact shall be mine!!! *Moves her hand to touch the artifact and watches as it slowly spins*

Daring Do : Y...You activated it?!? *tries hard to get free from the rope. He doesn't want to be here when that artifact starts to work, but the rope is just too tight to get free* Gahhh!!!

Ahuizota : Don't go anywhere, Daring!! Wait and observe as I finally win!
Hahahaha *Stands on two legs and starts her evil laugh*

The artifact starts to spin and sends out wave after wave of energy, affecting the creatures around it

Ahuizota : Hahaha!! Power!! I can feel it!! The heat of power!! *She begins to laugh when she feels her body starting to heat up after absorbing energy from the artifact*

Daring Do : *Sigh* Do you feel the heat between your legs? *he says after realizing that he can't escape from the tight rope and he is ready to accept his fate*

Ahuizota : Hmm? Oh?...Ahh!!! W...What is h-happening?! *After hearing what her archenemy said, her eyes widen as she feels her body becoming warmer and her private part start to heat up, soaking wet with her own fluids*

Daring Do : Well...The thing you just touched is an artifact for inducing mating. It forces your body to into estrus and makes you ready for pregnancy....

Ahuizota : WHATTTT!?! Why would the king of war want his magician to make some kind of pervert artifact like this!?!

Daring Do : Who knows? Maybe he wanted to make a perfect warrior? A hybrid? Because this artifact is special... it can be used to make inter-species pregnancy possible. *Grins* He was the king of war after all.

Ahuizota : Y...You're joking, right? *Looks at Daring Do with disbelief on her face and wishes that what he said is just another lie. He always loved to mock her all the time*

Daring Do : Yes...I lied. *He smiles, not caring much about another part of him that starts to come out from its shelter. His body is affected by the artifact as well*

Ahuizota : Hah!! I kne- *She starts to say something but gets interrupted by the adventurous stallion*

Daring Do : About the king's hybrid warrior...that is not true...I lied about that part. *Giggles* But what I said about inter-species pregnancy is true. *He laughs when he sees his enemy's face start to pale because of the information he just gave her*

Daring Do : Maybe you should study about the artifact you set your eyes on before you try to take it, you know. *He shakes his head and looks at Ahuizota with pity*

Ahuizota : D...Don't look at me like that and just tell me the true story already!!!

Daring Do : Well, this item was created after the king stopped the war because he fell in love with the enemy princess, who happened to be from another race. A princess changed a king's heart and made him turn over a new leaf. After they married, they wanted a heir. But it was impossible for them to have a child together because it was against nature. So the king ordered all the magicians in his land to research and make an item to help him. And that is how this artifact was made.

Ahuizota : Such a sloppy story!! Such a weak king! Stopping a war just because of one female!! *Crosses her arm and make a disgusted face*

Daring Do : And now, that artifact got you in heat and made me horny. It makes males and females within its range ready for sex.... *He smiles when he notices that Ahuizota locks her eyes on his own tool* ... Do you like what you see?

Ahuizota : No!!!! *Blushing hard, turns her sight away from the rod that stands so proud between her enemy's hind-legs*

Ahuizota : T-That artifact will never get the better of me! Forget it, Daring Do!! I will never get laid by you!! *Lays on her belly and turns herself away from Daring Do, so she doesn't have to see his alluring tool again*

Daring Do : If you're so sure that artifact can't corrupt you, then please fucking tell your tail to stop molesting my cock now!!! *Yells at his archenemy when the hand

on her tail starts touching and stroking his cock*

Ahuizota : Gahhh!!!! *Blushes hard and lets Daring Do's rod go*

Daring Do : *Pant* Why don't you just leave!! *Pant**Pant* Go away until you are out of the artifact's effective range!! *Her hand might make him feel nice and he doesn't want her to stop, but he still has his pride to keep*

Ahuizota : And let you take it!?! No!! I will wait until it runs out of power and stops spinning! This thing might well sell for a high price. *Looks at the artifact that's still spinning and spreading the wave of energy that affects her and Daring Do*

Daring Do : That artifact should go to a museum!! And for Celestia's sake!! Please tell your tail to stop playing with my balls!!! *Tries hard not to moan when the hand-tail starts to massage his balls.*

Ahuizota : Ahh!! Come back here, stupid tail!! *Drags her tail back with her front hand and sit on it so it will not do anything without her knowing again*

Daring Do : *Sit in silence. Looking anywhere but at the female creature beside him*

Ahuizota : *Do the same and trying hard not to look back at her archenemy. Her hand-tail still be under her crotch*

Daring Do :Hey, Ahuizota... *He suddenly speak to break the uncomfortable silence*

Ahuizota : What?... *She flinched because she thinks that she got caught by him. It might be too embarrassing for her if he knew that she masturbate herself with her hand-tail to relieve her heat*

Daring Do : Do you...well.....ever have sex before? *Speak with unsure voice. He don't know if it's good to speak about this while being in this kind of awkward situation*

Ahuizota : Do I look like some kind of a female with a one night stand habit to you? I spend all my time trying to find a ruin and get the lost treasure there before you. I never have time for that!! *Raised her voice because she think he tried to mock her again*

Daring Do : Me too... *He said with low volume. But it was enough for his interlocutor to be heard*

Ahuizota : What!? Don't lie to me, playcolt! A popular pony like you never have sex before! That's funny!! Don't you never have any mare fan who want you to bang them or some partner who want you to relieve their stress!?! You are too handsome to not get laid with anypony!! *She yell at him before blushing when she know what she just call him*

Daring Do : Well. I'm a fiction character to them. They don't even know that I'm real!! They know me only as AK Yearling the writer!! And just like you!! I spend most of my time on adventure and research. Never have time for sex too!! *Yell back*

Ahuizota : So what!?! You still have a lot of chances to get any mare that you come cross in your adventures! This is a Pony Land! A lot of pony around here for you to get to bed with!!.....Unlike me...It's impossible to find my own kind around here...They just never think to leave their forest or communicate with creatures outside... *Her voice slow down after this. She seem kind of sad when thinking about her forest and her own kind*

Daring Do : Why did you leave your forest? *He starts to wonder and want to know more about his enemy. Since he and her found each other in a ruin long ago. He never knew anything about her before*

Ahuizota : Why did you become an adventurer? *She answer back with the same question that her archenemy just ask her*

Daring Do : I asked you first! *He said with annoying sound*

Ahuizota : I will not tell my story until you tell yours. *Smirk*

Daring Do : Well...Alright! It's because it's my dream since I was small. To have an adventure. To find a lost treasure and survive all the traps and bad guys. Learning all about history . It was what my cutie mark is telling me after all. Now, your turn.

Ahuizota :Same as me...Since I was small. I always dreamed about the world

outside my forest. I wonder what the outside world looked like. I want to travel the world. To find exciting adventures. I don't want to be stuck in a forest. Grow old and die without knowing what freedom feels like.

Daring Do : And here...You became a thief...

Ahuizota : If you call me a thief. You should call yourself a thief as well. Since we do the same thing after all. Steal the lost treasure from somepony ruin.... *She look at Daring Do with disgust*

Daring Do : But I take it to the museum!! Unlike you who sells it to the bad guys! The artifact must belong to the museum!! For everypony to see it and learn about it's history and all wonderful things of the world!!

Ahuizota : For you it might be just for show! But for me, it's for sell!! Everytime I

find a new ruin with new artifact. You always come and steal it away from me!
From my very own hands!! You are the thief not me!!

Daring Do : I just want artifact to be in good hands!!

Ahuizota : So am I bad hands!?! *She grab Daring Do's collar and drag his face to her face*

Daring Do : Ah!!!

Ahuizota : Do you know why I have to sell an artifact after my adventure? I sell it for money to live!! Do you ever wonder where did I get a fund for my journey from!? I got it from selling any artifact I got from those ruins! So I have more fund to explore more and more ruins!!

Daring Do : But-

Ahuizota : -you!! Since you appeared and steal everything from me...and I got nothing back from the ruin...My journey has been fruitless again and again....*Try to hold her tear*...You don't know how much debt I have until now...

Daring Do : Why don't you just do something else to pay for your debt!!
Something more honest. Something that isn't dirty work!!

Ahuizota : Like what!?! Writing adventure books like you!? Do you think anyone wants to read story about me!?! And I've never had your pony education before!
Just knowing and speaking your language is all I can do!!

Daring Do : H-How about selling something else? Something that isn't an artifact.
Some rare thing that you found in the forest! Like a rare flower or herb.

Ahuizota : I don't have time for that!! Just searching about the ruin, finding the artifact, and getting to it before you cost me all of my time!! And my journey costs more money than you thought!! A trap! minions! A researcher! Food! Do you think that I can pay for all of that by selling a little plant!? How many thousands of herbs would I need to pay for that?!

Daring Do : Ahuizota...I'm sorry....I just don't know....

Ahuizota : D...Don't look at me like that. Don't you dare pity me!!

Daring Do : So you and I...We aren't different at all...We just love adventure...
His penis keeps throbbing

Ahuizota : Yeah... *Tries to look at Daring Do's face. But her eyes keep betraying her, watching his pole...*

Daring Do : *Complete silence because he doesn't know what to say anymore. But his penis still keeps throbbing*

Ahuizota : *Drooling. Imagining what it feels like to have that pole penetrate her burning sex. How it feels when Daring Do uses it to rut her senseless*

Daring Do : *Stays silent without knowing that his penis is really drawing the attention of his archenemy's eyes. It still keeps throbbing...*

Ahuizota : AUGHHHH!!!!!!! Bothersome meat!!! Can't you do something to make it gone!?! *Shouting while shaking her head to clear all the lewd images away from her mind*

Daring Do : What!? I can't do anything with my hooves being bound like this!! It's not like I could masturbate like you!! *He shouts back blushing hard*

Ahuizota : No!! I would never do something that lewd in front of someone like you!!

Daring Do : Tell that your tail!!

Ahuizota : Aughh!!! *She just notices that her tail has moved on its own again and reacts quickly to take it away from rubbing her aching slit* Stupid tail!! Stupid handsome stallion!! Stupid awesome cock!!!

Daring Do : Did you just say- *He blushes when hearing his archenemy complain about his appearance and his penis. He tries to say something but reels in shock when Ahuizota draws a knife from her back*

Ahuizota : Maybe if I just cut off your cock and balls I might finally be free from this annoying heat! And maybe the Artifact will stop working because it no longer has a fuckable stallion around!! *Looking at Daring Do's penis with the sharp knife in her hand*

Daring Do : NOOOOooooooo!!! Please!!! Don't cut it!! I still need it!!! I don't want to die virgin!!! *Turns himself away from crazy female creature and uses his wing to shield himself from her*

Ahuizota : Then, do something!! Do something to make it gone!! Suck your cock with your mouth!!! *Gets a little drool in her mouth from imagining it*

Daring Do : I-I don't think I'm that flexible!!! >/////[]/////<

Daring Do : Ahhh!! W...What are you doingggggg-.. *He moaned, confused by the actions of his arch enemy, when she just dropped her knife and let her hand-tail stroke his penis*

Ahuiizota : D-Don't misunderstand!! I'm not falling for you or anything. I...I just want it gone! So it won't bother me anymore. Since you don't want me to cut it, I will get rid of it another way!! Just cum fast and go soft quickly!! *She turns away from Daring Do and lets her tail do what it wants.*

Daring Do : Oh!! Your hand-tail! It feels incredible! Ahhh...It's so much better than hooves! *He closed his eyes and enjoyed the passion that he craved so bad for since the artifact activated. But the bindings prevented him from doing anything.*

Ahuiizota : Quiet!!! Stop your dirty talk and just cum already!! *Blushing hard*

Daring Do : Ahhhh...Ohhh...Mmmmm....*Moan*

Ahuizota : Stop moaning too!! Your moan really bothers my pussy!! Gahhh!!!
Her pussy just started feeling hotter and hotter when her body heard the voice of a male. It really craved for any male to rut it hard.

Daring Do : I...I can't help!! Mmmm...I...It just feels too good!! Ohh!! *Moans harder when her hand-tail moves to stroke his penis's ring *

Ahuizota : If it feels that good, why aren't you cumming yet?!

Daring Do : I...I can't cum...N-No matter how good it feels. It will..Oh...Never make my body reach orgasm!!! You should know it best!! You've been masturbating until now!! Did you get any orgasms yet!?

Ahuizota : How did you know?...Why! Tell me why I can't cum!! *True to his words. Even though she kept using her fingers to masturbate, it only relieves some of her heat's pain. But no matter how hard she tried, she just couldn't make herself cum*

Daring Do : Well...Because the magician who created this artifact wanted to make sure that the king and queen will finally have their heir. They didn't want them to get tired before the main event because they got a early release. So the artifact will not let both male and female reach their orgasm if their genitals don't touch each other.

Ahuizota : Gahhh!!! That is the most perverting thing I have ever heard!! Stupid magician. Stupid artifact. Stupid you!! No!! I will not let your ugly rod touch my beautiful flower!!

Daring Do : I'm really sorry...But it was said in the old tome. I'm not lying to you, I swear...This condition was made because they didn't want the male partner to waste his semen outside female genital...Or the chance for impregnation will get low...

Ahuizota : I don't want to get pregnant! I want to have release!! I hate to be on edge like this!!!

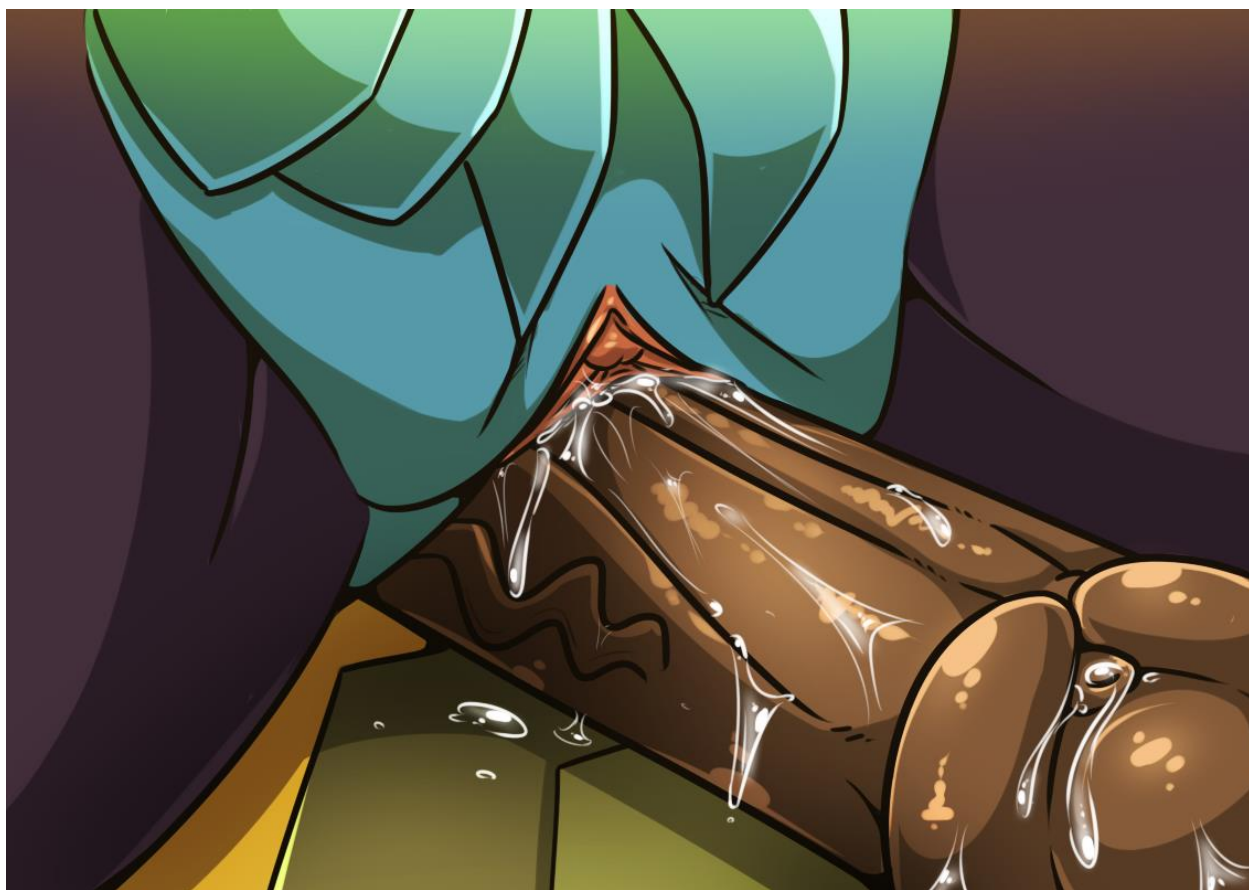

Daring Do : *whistle* Oh...Ahuizota...You have a beautiful slit down there. *He move closer to sit behind Ahuizota and look pass her shoulder to see her finger playing with her naughty bit*

Ahuizota : Hey!! Don't you dare look at my pussy!! Pervert!! *Blushing hard but still masturbate herself with her hand while her tail still masturbate her archenemy*

Daring Do : Said by someone who's letting her tail stroke her enemy's cock. You are more perverted than me Ahui- Ow! Owww!! Sorry!! Sorry!! *He cry when her tail squeeze his penis too hard*

Ahuizota : Stop talking like that!! Stop! Stop!!

Daring Do : Owe! Ow!! Ahh!! Too rough! Too rough!! *wriggle hard try to get his cock free from Ahuizota tail grip that started to stroke his cock so fast and rough*

Ahuizota : *Groan* Fine!! Just come here and give your cock to me!! *She just couldn't endure the pain of the heat anymore. It hurt until her own hand couldn't relieve it anymore*

Daring Do : Hey! Hey!! My cock isn't something you can just pick it you know! If you want it. You need to take me with it as well!! Owe!! *He cry again when Ahuizota grab his cock and drag it along with his body to be close to her. Before she forced him to lay on his back*

Ahuizota : Now. Be still... *She move herself to place her sex above his sex and slowly rub her slit against his rod.* Ahhh...This idea will work quiet well...

Daring Do : Oh....Ahuizota...You vagina feel so good...So warm and wet...Will you let me in? I want to feel my cock wrapped by your wet pussy. *Close his eye and enjoy the feeling. But he wish he could have more of it*

Ahuizota : No!! I will never let you slip inside me! You should feel lucky you know. That I let your ugly rod touch my beautiful flower there!

Daring Do : You are such a tease...Ahuizota..Please let my cock move into your soaking pussy. I want to feel it so badly. I know you want it too!! *Look at Ahuizota with pleading face. The smell of estrus female is really driving him mad*

Ahuizota : J-Just shut up and let me use you as I please. *She trying hard to control her body that start to betray her will by wishing to get that stallion cock inside her.*

Daring DO : Yes! my mistress. I will do anything as you wish. *said with monotone voice*

Ahuizota : Why do you call me mistress? What is the meaning of that!? *She cock her head. That word is new to her.*

Daring Do : Nothing! ♥ !

Daring Do : Hahh!!! *His hooves get free from the rope and he stand up to force Ahuizota to lay down on her back, he then presses his hooves on her hands to keep her from doing anything*

Ahuizota : Ahh!! H...How did you get free from my rope!?! *She shocked from getting pin down and tried to get free. But her body seem to weak from the heat and her opponent seem strong from horny*

Daring Do : I just use someone's knife that was lying around here. *He laughed and look to the side. Ahuizota look follow his and sees her knife that she nearly used to cut her archenemy cock off*

Ahuizota : Get off me!!!

Daring Do : No!! I let you use my body for too long!! Now it's time for me to use you! Now I will get what I want. What our bodes really want!! I will put my ugly rod into your beautiful flower!

Ahuizota : Don't you dare!!! *Struggle hard*

Daring Do : I'm Daring Do! I am always daring to do...*Place his cock's tip against her soaking entrance*...anything!! *Force his tip to open her tight lip*

Ahuizota : Ahhh!! It hurts!! Get it out!! *Crying because she never take anything that was bigger than her finger before*

Daring Do : So it's true that first time always hurt for females. *He stop his move for a bit. Just to let her get use to his size*

Ahuizota : Gahh!! You are big! Too big!! Bigger than any male of my race! You going to tear me apart!! *Keep pounding her fist to Daring Do chest while crying from hurt*

Daring Do : And you are so tight...I believe it might be tighter than any female of my race as well. *He look at her and smile. He let her hurt him. Just to accept her pain.*

Daring Do : But don't worry! I will be gentle. So please just relax and-

Ahuizota : I don't want your gentle!! I just want-

Daring Do : You want it rough? Ok. I'm going to ram all of my cock into your virgin pussy hard and fast than. *Prepare his hip for the full force*

Ahuizota : Nooo!! Don't! Please!! *Shocked and tried to stop him*

Daring Do : Then relax and brace yourself. *hold her hindlegs up and make more room so that his cock can slide into her easily. And just as he guess. It seem Ahuizota already lost her hymen from all the adventures she had done in the past.*

Ahuizota : A...Ah...I...Is it all in yet? *The pain and pleasure kept her from speaking very loud*

Daring Do : No...Not yet...You haven't even touched my ring...Ahh...*Slowly put more of his cock into her until...* ...It's done now. It's so impossible that your small

pussy can take my whole cock...♥ *Stop himself and just let his archenemy adjust to his size a little bit*

Ahuizota : Hah!! Sure!! I can take anything you throw at me!! That's why I am your archenemy! *Smirk*

Ahuizota : Hmmmm....This feel so good!!! Why did we not do it soonerrr!!! ♥♥♥
Finally let her enemy take her freely. She just can't keep being tsudere anymore

Daring Do : Because we were to busy fighting with each other.

Ahuizota : More...More....Give me more...

Daring Do : You want it faster?

Ahuizota : Yes!! Please make it quick! But don't cum too quick! At least not before me...♪

Daring Do : As you wish, my dear enemy ♥ *ram his hip faster and harder and It seem his cock's tip accident hitting her G-spot inside*

Ahuizota : Ohhh God above!! Do it again! Meow!!!

Daring Do : *Laugh* I didn't know that your race is part feline. But that moan is kinda cute too.

Ahuizota : Why thank you, my handsome enemy. Oh!! I can feel it!! The edge of heavens cliff!!

Daring Do : Ok...lady, please cum first...I will cum after you...Ahhh...

Ahuizota : No! Please!! Not inside! Don't cum inside me!! *She start to struggle when she heard what Daring Do said about cumming*

Daring Do : Well...I will let you be in control from now on than. Please get

yourself a release and get off me before I cum. *He re-position them. He lay down on his back and let Ahuizota ride on his cock. Let her move her body as she see fit*

Ahuizota : Why thank you, gentle stallion. Mmmmm...This position feels nice. It touches me in the right places!

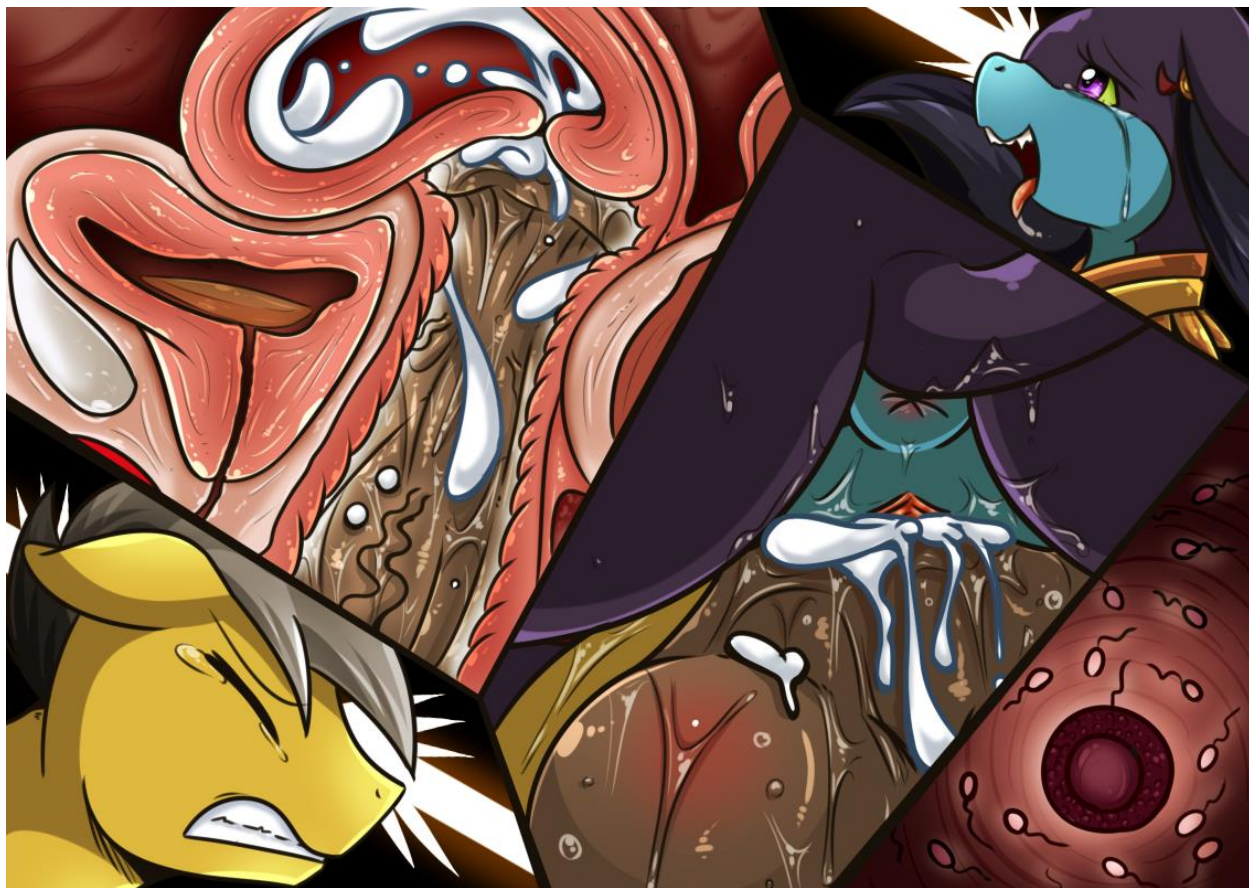

Daring Do : Hgmmm It's seem you enjoy doing this now. Did you not just say that you will never get laid with me? Never let my ugly rod penetrate your beautiful flower?

Ahuizota : Screw my past self! Pony cock is best cock ever!! *Riding hard*

Daring Do : And it look like you like to dirty talk too. *Giggle*

Ahuizota : Oh! God!! Dirty talk makes me feel good!!! Dirty talk is fit for a bad girl like me!! Ahhh!! I'm going to cum!! *Move her hip faster and push his cock deeper.*

Daring Do : Yesss!! Ahuizota!! Please cum!! Don't hold back! Cum! Cum before me!! *He don't know how long he will last. But he hope that the girl on his crotch finishes before him*

Daring Do : Ahuizota! G...Get off!! *He start to struggle when he feel himself nearing his limit*

Ahuizota : Wait for a second! Please!! I'm about to cum!! *She nearly to her limit as well. So close...Very close...*

Daring Do : U...Ughhh!! I'm really serious!! Get off! I can't hold it anymore!!

Ahuizota : No!! Please!! Keep holding on!! I...I'm cumming!!! *Crash down on his cock for one last time and finally get her final release*

Daring Do : Get off before- *He losing his holding on his genital. It's too much for him to endure for a pussy of a female who just got her orgasm. When her vagina just squeeze hard and tried to milk for his semen. And it got what it wanted.* -I cum.... *He close his eye and let loose.*

Ahuizota : Oh...This feels incredible...I love this so badly. This fullness warm. *Still swim in pleasure and not aware of reality*

Daring Do : T...To late.. *pant* *pant*

Daring Do: Ahuizotl... The artifact is not moving anymore...

Ahuizotl:

Daring Do: I'm going to grab it now. Don't you want to stop me before I took it?

Ahuizotl: What's the point? My adventuring life is over now.

Daring Do: Come on! It can't be that bad!

Ahuizotl: In what way is this not bad!?! Not only am I heavily in debt, but I'm going to be a single mother as well!!!

Daring Do: I'm sorry.. I-

Ahuizotl: Don't! Don't say you're sorry!! Don't pity me! I don't need your pity! Not

from you!! You should laugh at me Daring Do! You have ruined your archenemy! I am done! The major villain of your story has been defeated like a mongrel. Congratulations! I will not be a bother in your life anymore!

Daring Do: Ahuizota... I didn't mean to... This is not what I wanted.. I don't want it to end like this...

Ahuizota: After this, I will have to run away from all my debt. I will have to return back to the forest, raise the child and live as an outcast among my own kind for having a half pony baby. Grow old and die hated by my own child. Yeah! That is a happy ending for this villain... *Laughs with tears falling from her eyes*

Daring Do : Please.. Please don't go.. My adventure will never be the same without you. Don't give up on your dream!

Ahuizota : Daring... I can't...Please let me go.. Please just find another rival for your story.. I can't fill that role for you anymore..

Daring Do : ...Yes I will find another rival for my story, but now I want a companion.

Ahuizota : A companion?

Daring Do : Ahuizota.. For you.. I will pay all of your debt. In return, I only asks that you become my companion from now on.

Ahuizota : B..But.. The child...

Daring Do : Let me help you! Let me help raise our child together!

Ahuizota : O..Our child?

Daring DO : Please come and live together with me. We will live together in my little hut.. All of us, including our child. *Hug Ahuizota from behind* Come and join me on my adventure and I will make sure that you never have to worry about funds again!

Ahuizota: Don't get me wrong Daring Do. I still hate you for stealing treasures that rightfully belongs to me, being a thorn in my adventures and for impregnating me. *She starts to talk as both of them getting ready to leave the ruin.*

Daring Do: Well.. Then I also hate you for trying to kill me so many times...

Ahuizota: So how will we live together if we still hate each other?

Daring Do: Hmmm.. It's not like we can't change for the better right? We still have time to go on adventures together and get to know each other more before our child is born. *Smile softly*

Ahuizota: Yes, that does sounds like a good plan...

Daring Do: Hey.. Ahuizota.. After we paid your debt.. Would you like to go on a date with me? Or we could explore some ruins together? Up to you really! I know many interesting places that I know you would love!

Ahuizota: Well.. Alright! I'm in! But what about the treasure we found? Is it a good idea to leave the treasure here like that? Don't you want it in a museum? * She look back into the treasure room with the treasure still resting on its pedestal*

Daring Do: Do you really want to see everyone in the whole museum or village in heat, being horny and bang each other senseless like we did?

Ahuizota: Point taken. *Laugh and walk together with her former archenemy to the ruin's exit *

Daring Do: Unless... You want to bring the treasure with us Ahuizota? I can think of a few benefits we will have bringing it to my bed together with our bodies grinding against each other. *Grinning suggestively*

Ahuizota: Oh Daring Do, you always know what to say to make me all hot and bothered. *Madly blushes*

Daring Do: Only for you my dear enemy, Ahuizota... Come now! Take my hoof and fly with me senorita! A brighter future await us both! *Embraced Ahuizota and flying into the sunset leaving the temple behind them*

----- THE END -----
