START OF ACT #1

INT. PONYVILLE - AFTERNOON

Apple Eden is tending her apple cart, and cleaning up a little. She hears a filly and turns her attention to the voice.

GHOST FILLY (O.S.)

Crying Please, won't somepony
help me? *Cries* Please!

Apple Eden looks around to see where the voice is coming from, but can't find anyone.

GHOST FILLY (CONT'D)

Crying My brother is hurt... He
needs help *Cries* Why won't
anyone help me?

Apple Eden looks around again and sees a ghost of a young filly. Even though she's scared seeing the ghost, she can't help but see what's wrong.

Apple Eden moves towards the ghost.

APPLE EDEN

Hey, what's wrong?

The ghost looks up at Apple Eden, her eyes are full of tears.

GHOST FILLY

Trying not to cry It's... my...
brother. He's hurt. We were

playing and went into this cave...
But rocks fell from the top ...
And... *Starts to cry*

Apple Eden eyes widen, as she thinks that the ghost's brother might still be alive.

APPLE EDEN
Can you show me where this cave
is?

The ghost nods, and she rubs tears away from her eyes. The ghost starts to run off. Apple Eden quickly follows her.

CUT TO:

EXT. MINE - LATER

Apple Eden and the Ghost Filly come to an old mine, it looks like it hasn't been used for years. The ghost looks at Apple Eden.

GHOST FILLY
He's in here. We were playing when
the rocks fell. I couldn't wake

him up. But since I'm so small I
was able to get out.

Apple Eden looks at the mine and is scared. She can see
that a cave-in happened a little bit inside the mine, but
something doesn't look right. Apple Eden looks at the
ghost.

APPLE EDEN
I need to get help. I want you to
wait here, okay?

The ghost grabs Apple Eden's leg.

GHOST FILLY
Please don't leave! He's hurt, and
I can't get him out by myself.

Apple Eden looks down at the ghost and wants to help, but
she's probably just as scared as the ghost. Apple Eden take
her hat off and shakes it.

APPLE EDEN
Angel, wake up.

Apple Eden's partner comes out of her hat, and looks like
he's a little upset from having his nap interrupted.

APPLE EDEN (CONT'D)
I need you to get my Grand Mother
for me and bring her here.

Angel looks around and frowns at Apple Eden.

APPLE EDEN (CONT'D)
Please Angel! This filly's brother
is still in the cave and we need
to get him out.

Angel looks at the ghost filly, then back to Apple Eden and
nods. He flies up in the air and looks around before flying
to Sweet Apple Archers.

Apple Eden looks at the mine entrance and is worried. She
looks at the ghost and nervously smiles.

APPLE EDEN (CONT'D)

We just need to wait for my Grand
Mother to come and help move the
rocks, okay.

The ghost sits on the ground and starts to cry again.

GHOST FILLY

But he's hurt... And he wouldn't
move when I tried to wake him up.
Cries

Apple Eden goes to hug the ghost, and tries her best to
swallow her fears.

APPLE EDEN

Okay... I want you to stay close
to me... I'll try my best to move
the rocks so we can find him.

The ghost looks up at Apple Eden with a smile. She heads to
the entrance to the cave, and points.

GHOST FILLY

We were playing over here. I could
still see the entrance before the
rocks fell, so he can't be that
far in.

The ghost heads into the cave, and easily moves past the
rocks since she goes threw most of them. Apple Eden tries
to keep up, but she's a little slow since she's trying not
to disrupt any of the rocks.

The ghost sticks her head out from under a pile of rocks.

GHOST FILLY (CONT'D)

He's right here miss! Hurry!

Apple Eden looks at the hole and see's she won't be able to
squeeze threw it.

APPLE EDEN

I can't get threw like you...

Apple Eden looks around, but can't see anyway to get past
the pile of rocks.

The ghost comes out of the small hole, and looks at Apple Eden.

GHOST FILLY

But Robin is just past these rocks. Can't you move them? I could help.

Apple Eden looks at the pile of rocks and boulders.

APPLE EDEN

Thinks to herself If I could move a few of the small rocks from up top first, and then the big out a little. I should be able to get threw.

Apple Eden looks at the ghost with a nerves smile.

APPLE EDEN (CONT'D)

Okay dear, I'm going to try and move a few of the rocks from the top first. So I want you to go to the other side, and tell me if anything happens.

The ghost smiles hearing that Apple Eden is going to get her brother out and goes to the other side.

GHOST FILLY

Okay miss, I'm ready!

Apple Eden carefully climbs up the pile and takes a few of the smaller rocks off and drops them on the ground behind her. After getting a few taken off, she hears the ghost.

GHOST FILLY (CONT'D)

That's it miss! I can see you from here!

Apple Eden tries to look there the small hole she made at the top, but she can't see down. The ghost filly flies up to her.

GHOST FILLY (CONT'D)

He's just past here, you can do it!

Apple Eden smiles. She's so happy with herself since she worked past her fears, and she might be able to save Robin by herself.

Apple Eden looks at the bolder at the bottom, and she thinks she could move it without an issue. She looks threw the hole at the top.

APPLE EDEN

I'm going to hop down and move one of the bigger rocks. You have to tell me if anything falls on your side, okay.

GHOST FILLY

Okay, miss.

Apple Eden climbs down. As she reaches the bottom she slips on a small rock, but catches herself. She moves the small rocks away from her footing area, and then looks at the bolder.

APPLE EDEN

To herself Okay Eden, you're just as strong as Grand Pa was, you can do this!

Apple Eden places her hooves on the bolder, and starts to pull it towards her. She notices that the bolder isn't as heavy as she thought, in-fact she's pulled apple carts heavier. She pulls the bolder more, and hears other rocks moving.

GHOST FILLY (O.S.)

There's rocks falling, but they're falling towards you. Are you okay?

Apple Eden looks, and sees that the rocks that feel are by the other wall. She looks at the spot where she's at, and everything looks okay still.

APPLE EDEN

It's okay. They're falling away from me.

Apple Eden looks at the hole from before, and sees that it's bigger. She moves down to it and tries to get threw. Apple Eden is able to get her front hooves threw but she

can't quite squeeze threw. She tries to push the bolder and get past it. But she hears what she was fearing at the start.

Rocks start to fall. She tries to get out, but she's stuck. She pushes as hard as she can to backup. As Apple Eden gets herself out, she looks up and sees the pile of rocks coming down. She covers her head.

FADE TO BLACK.

INT. MINE - MOMENTS LATER

POV - APPLE EDEN

Apple Eden hears something coming towards her. She tries call out but can't. Her eyesight is blurred and can't make out what's coming towards her.

Apple Eden hears the voice of her cousin, but her ears are ringing and she can't hear her that well. She tries to talk.

LITTLE-AJ

Mom... here... I.... Okay...

APPLE EDEN

Quietly, weak Fillies... Other side...

As much as Apple Eden tries, her eyes close and she drifts off.

FADE TO BLACK.

INT. SAVE STATE ROOM

Applejack, Twilight and Alternate Dawn are standing away from the Save State device, trying to talk in a low voice so not to wake up Apple Eden.

APPLEJACK

Worried, trying not to cry I don't know what I would do, if I lost her Twilight. She's the only thing I really have left of Big Mac.

Twilight moves and hug Applejack.

TWILIGHT

It's alright Applejack. You and
Little-AJ got to her in time.

Applejack closes her eyes tightly trying not to cry, but
her tears start to fall. Alternate Dawn moves up to
Applejack and places a hoof on her shoulder.

ALTERNATE DAWN

It's going to be alright Ms.
Applejack. The Save State will
have her fully healed in no time.
But I want to watch her over
night. You should get some rest.

Twilight looks at Applejack and smiles.

TWILIGHT

See, everything will be fine.
Since Little-AJ is spending the
night at Sparity's, why don't you
come and spend the night with me
at the castle.

Applejack looks at Twilight.

APPLEJACK

Thanks Twilight, but I think I
should stay here.

ALTERNATE DAWN

Ms. Applejack, you're tired and
stressed. You need sleep. I'll be
up watching over Eden, so don't
worry.

APPLEJACK

But--

ALTERNATE DAWN

Doctor's orders.
(Points to the door)
Go.

Applejack looks at Alternate Dawn and nods her head.

APPLEJACK
Alright. Thanks Alter.

Applejack gives Alternate Dawn a hug and joins Twilight.

TWILIGHT
We'll see you in the morning
Alter. Have a good night.

ALTERNATE DAWN
You too mom.

As Applejack and Twilight leave, Alternate Dawn goes to check on Apple Eden. He notices that she's curled up and trying not to cry.

Alternate Dawn sees that the Save State is done and Apple Eden should be fully healed, physically at least. He moves the cover up.

ALTERNATE DAWN (CONT'D)
Hey, how are you holding up?

Apple Eden turns to Alternate Dawn and tries to smile.

APPLE EDEN
I'm okay. Is everyone upset with me?

ALTERNATE DAWN
Not at all. Why don't you come with me to my study and tell me what happen.

Apple Eden nods and moves to get off of the Save State. She follows Alternate Dawn out of the room.

CUT TO:

INT. ALTERNATE DAWN'S STUDY - MOMENTS LATER

Apple Eden sits on the couch by the fire place. As she looks around she sees Alternate Dawn's desk with piles of paper and books on it. Most of the walls are covered with bookshelves that are packed full. Apple Eden sees a large amount of pillows on the floor, with a few piles of comics close by.

Alternate Dawn enters the room caring a tray of tea with him, and places everything down on an end table. He hands a cup to Apple Eden.

ALTERNATE DAWN

So what made you go to the old gem mine?

Apple Eden looks down at her tea, she's still upset with how things turned out.

APPLE EDEN

Well... There was this ghost of a young filly that came to town.

CUT TO:

INT. ALTERNATE DAWN'S STUDY - MOMENTS LATER

Alternate Dawn listens to Apple Eden's story and fits the pieces together.

APPLE EDEN

I just thought that if I could work past my fears, I could save Robin.

Apple Eden's eyes open wide. She can't believe she forgot about him. Apple Eden turns to Alternate Dawn in a panic.

APPLE EDEN (CONT'D)

We have to go back and get him!

Alternate Dawn puts his hooves on Apple Eden's shoulders and tries to calm her down.

ALTERNATE DAWN

It's alright, Eden. You were talking in your sleep when Little-AJ and Ms. Applejack brought you here about two fillies in the cave. So my mom dispatched guards to take a look.

Apple Eden starts to smile.

APPLE EDEN

You mean?

ALTERNATE DAWN

*Little down, trying to hide
something* Ya, they found them.

Apple Eden can hear that Alternate Dawn is hiding
something, and starts to worry.

APPLE EDEN

I know... I know the filly was
dead since I saw her ghost, but is
Robin okay?

Alternate Dawn looks down at his cup of tea, he can't bring
himself to tell her.

Apple Eden starts to cry.

APPLE EDEN (CONT'D)

Did I not make in time? When I
caused the cave-in... *Scared,
worried* Did I?

Alternate Dawn sees Apple Eden start to cry and hugs her.

ALTERNATE DAWN

You didn't do anything wrong Eden.
The guards found both of them...
Sigh But from what they could
tell, they both died about 30
years ago.

Hearing that both the ghost and her brother died, Apple
Eden starts to cry.

APPLE EDEN

I was scared... I was so scared. I
thought if I could just be brave
like everyone else... That I could
save them... I'm so useless.

Alternate Dawn moves Apple Edens head up to they look at
each other.

ALTERNATE DAWN

Don't you dare think that, not
even for a minute. I know you're
terrified of ghosts, but you still

worked past that fear and tried to help a ghost save her brother.

From what the guards said, they were all scared of that mine. But you, you went in there alone to help a ghost and a foal you didn't even know.

APPLE EDEN

But they're both...*Cries*

Alternate Dawn holds Apple Eden close to him.

ALTERNATE DAWN

Eden, they died before we were born. Nether of us could have saved them.

When the guards recovered them from the mine, something caused the entrance to collapse. No pony can get in now. After the entrance collapsed, all the guards reported that they heard a young mare's voice say "Thank you". Don't you see, because of you that young filly was able to pass on. My mom is having the missing records looked at so we can find their family.

APPLE EDEN

But..

ALTERNATE DAWN

Don't you see Eden, the family will finally get closer, and the two foals can be laid to rest. All because of you!

(Starts to tear up.)

So don't "dare" think you're useless.

The two stay holding each other for a few moments, as they calm down. Alternate Dawn takes a deep breath in before moving away to look at Apple Eden.

ALTERNATE DAWN (CONT'D)
Hey, want to know a secrete I
never told anyone before?

Apple Eden looks at Alternate Dawn with a puzzled look. She
nods her head.

ALTERNATE DAWN (CONT'D)
It's about the Save State, and the
selfish reason I made it.

SLOW ZOOM OUT

FADE TO BLACK.

END OF ACT #1
START OF ACT #2

INT. ALTERNATE DAWN'S STUDY - THE NEXT DAY

Applejack and Twilight enter Alternate Dawn's study, and
find the two still fast asleep. Twilight moves up to
Alternate Dawn and lightly shakes him.

TWILIGHT
Hey, you two. It's already
morning. Time to get up.

Apple Eden and Alternate Dawn both wake up and see
Applejack and Twilight staring at them.

ALTERNATE DAWN
Morning mom. *Yawns* What time is
it?

TWILIGHT
(Looks at the clock on the wall)
It's just past 10am.

Apple Eden picks her hat up, and looks a little grumpy.

ALTERNATE DAWN
Are you okay, Eden?

Apple Eden goes up to Applejack and leans on her. She lets
out a quiet moan. Applejack lightly laughs.

APPLEJACK

Don't worry Alter, she's always
like this when she wakes up.

Alternate Dawn looks at Apple Eden and take a deep breath
in.

ALTERNATE DAWN

Since the four of us are together,
there's something I want to talk
about.

TWILIGHT

What's this about Alter?

Alternate Dawn looks nerves, and sighs.

ALTERNATE DAWN

I think it's better if the three
of you sit down.

Applejack, Twilight and Apple Eden sit down, as Alternate
Dawn stands before them.

ALTERNATE DAWN (CONT'D)

As you three know, I can heal
anypony with the Save State as
long as I have a ID card of them.
Even if they lose an eye, I can
heal them as long as there ID card
was made before they lost it.

The three girls attention is on Alternate Dawn so much, he
feels like he's on the spot.

ALTERNATE DAWN (CONT'D)

But if they die, I can't do
anything. Unless I make a Perfect
Type ID card with them. Then as
long as there soul hasn't past
over, I can re-make their body and
bring them back to life.

Twilight can see where the conversation is going and is
getting a little worried.

TWILIGHT

Alter...

Alternate Dawn places a hoof up to interrupt his mother.
Alternate Dawn looks at Apple Eden and Applejack.

ALTERNATE DAWN
So I want to make a Perfect Type
ID card with Eden.

Apple Eden starts to blush, and Applejack starts to look
nerves.

APPLEJACK
Why do I feel like this might cost
me half the farm?

Alternate Dawn shakes his head.

ALTERNATE DAWN
It's not that Ms. Applejack. The
spell I use to make the normal
cards just requires me to kiss the
other pony.

APPLEJACK
Little cautions Okay...

ALTERNATE DAWN
But to make the Perfect Type ID
card with Eden...
(Takes a deep breath in)
I would have to have sex with her.

Applejack becomes enraged hearing this. She dashes towards
Alternate Dawn and pushes him back into a wall. She holds
him up, ready to hit him after saying he wants to have sex
with Apple Eden.

Twilight gets up and moves towards Applejack.

TWILIGHT
AJ, let him finish.

APPLEJACK
Upset Save it Twilight.
(Looks at Alternate Dawn)
First you sleep with Sparity, then
my daughter, and with who ever
else. Now you want to have sex
with Eden.

Alternate Dawn stares at Applejack, his eyes shows that he's upset.

ALTERNATE DAWN

Angry How many died?

APPLEJACK

What did you say?

ALTERNATE DAWN

How many ponies died when you and my mom with the rest of your friends were out venturing?

I know you saved a great deal of ponies, griffins and other races from evil, but history never truly remembers the fallen.

From all the stories my mom told me, about you saving all of Equestria from Terik, Ahuizotl, Sombra, Dragons, to Nightmare Ponies.

But how many ponies were hurt or even killed?

TWILIGHT

Caring Alter...

Alternate Dawn looks at Applejack as tears start to form in his eyes.

ALTERNATE DAWN

One of my mom's Knights told me about the "Hero's Curse", when I was younger.

That history never quite pays attention on who died... But Heroes do.

You try to remember all of them, their names and their faces! This way someone will remember them.

But over time even you start to forget some of their names, or how you can't quite remember how they looked. But you never let yourself forget how many lives you "didn't save".

You carry that burden to try to make yourself better, to push yourself that extra bit, just to save a extra life.

(Looks at Apple Eden)

Starts to cry I know I'm weak and can't fight. My friends have such strength and courage, it makes me feel ashamed of myself.

(Looks at Applejack)

With the ID cards I can at least do something and heal them if they get hurt. But if they died...

The sheer thought of losing somepony I love, hurts me so much inside.

With the Perfect Type ID cards, I can bring them back! If they die from an accident or get killed by some evil, I can save them and bring them back!

So if that means I have to live with others thinking I'm some sort of slut, that sleeps around just to make cards to collect, then fine. I can live with that if it means I can save the ones I love!

CUT TO:

FLASH BACK

Applejack thinks back to when her friend Draco saved a cave full of ponies from dying. He lifted a support beam and held it up so others could get out. But he knew it was too dangerous for the others to comeback for him. So when the last pony left the cave, he purposely dropped the support beam causing the cave to collapse, killing himself.

When Applejack, Twilight and the others got to the cave, it was already too late.

They were never able to recover his body, or give him a proper funeral. All Draco got was a marble slab with his name on it, with an engraving. And 80 years later almost no one could remember who Draco was anymore.

Applejack remembers the slab, and how Draco's name looks on it, but she can't recall what the engraving said

SHOT OF DRACO'S GRAVE STONE: THE NAME ON IT LOOKS PROPER, BUT THE ENGRAVING IS HAZED OVER SINCE APPLEJACK CAN'T RECALL WHAT IT SAYS.

END FLASH BACK

Applejack's eyes start to tear up, but she's brought back from her memories when Alternate Dawn talks.

ALTERNATE DAWN (CONT'D)

Trying not to cry So go ahead, hate me. Hit me if it makes you feel better. But if I didn't at least tell Eden that there's a way to save her, and give her the option to make the new ID card, I could never live with myself.

Applejack drops Alternate Dawn and lets him hit the floor. She turns around to hide her face and starts to walk off.

APPLEJACK

Forget it. I'm heading home...

Apple Eden looks back and forth between Applejack and Alternate Dawn. She quickly gives Alternate Dawn a hug, before catching up with Applejack.

When the two leave, Alternate Dawn breaks down and starts to cry. Twilight rushes to him and holds him tight, wrapping her wings around him. She starts to cry a little, out of sheer love for Alternate Dawn.

TWILIGHT

My brave little boy.

FADE OUT

END OF ACT #2

START OF ACT #3

INT. PONYVILLE - THE NEXT DAY

Alternate Dawn walks threw Ponyville, still a little down from what happened the other day. But for some reason everyone in town, is being nice to him.

As Alternate Dawn passes others in town, they greet him as Prince Dawn, or Prince Alter. Which hasn't happened since he was young.

Even after he had lunch, Tapper wouldn't take his money. He even gave Alternate Dawn a few cookies to take home for Serene.

Alternate Dawn sees his friends Little-AJ, Aerial Ace and Sparity ahead of him, and he rushes to catch up with the.

ALTERNATE DAWN

Hey girls! Wait up.

The three turn to see Alternate Dawn coming towards them, and wait.

SPARITY

Hey, Alter. How are you doing?

ALTERNATE DAWN

Fine. Been having an odd day, though.

LITTLE-AJ

How so Prince Dawn?

Alternate Dawn looks at Little-AJ and frowning.

ALTERNATE DAWN

Okay, you never called me "Prince" before.

(Looks at all three)

So what's going on? Spill!

Aerial Ace pushes on Little-AJ's shoulder.

AERIAL ACE

Nice one, Apple!

LITTLE-AJ

Nervously Um... Just trying to be polite.

From his on coming headache Alternate Dawn raises his left hoof to his head and rubs his eyes. Sparity goes up to Alternate Dawn and places a hoof on his shoulder.

SPARITY

She's telling the truth. Applejack and Eden, kind of been leaning on everyone to show you proper respect.

ALTERNATE DAWN

Okay, I'll bite. Why?

AERIAL ACE

Sarcastically Something about your pervy-ness is because you want to take care of everyone you love.

Alternate Dawn eyes widen in shock.

ALTERNATE DAWN

You mean...

LITTLE-AJ

That you make the cards so you can heal everypony if they get hurt, and everyone needs to layoff. I don't think they've said anything about the Perfect Type ID cards or "how" they're made.

Alternate Dawn takes a sigh of relief. He looks at the three.

ALTERNATE DAWN

I'm heading home and dying from embarrassment.

As Alternate Dawn walks off Sparity calls out.

SPARITY

We're all getting together
tomorrow for a picnic dinner at
six, if you want to join.

Alternate Dawn just waves as he walks off.

Aerial Ace turns to Sparity and Little-AJ

AERIAL ACE

So how are these new cards made?

Both Little-AJ and Sparity look at each other and smile
nervously.

CUT TO:

EXT. GOLDEN OAK LIBRARY - MOMENTS LATER

As Alternate Dawn makes his way to home, he sees Apple Eden
sitting on a barrel outside.

ALTERNATE DAWN

Well if it isn't one of my Knights
in shinning armour.

Apple Eden looks towards Alternate Dawn and smiles.

APPLE EDEN

What do you mean by that?

ALTERNATE DAWN

I ran into Little-AJ and the
others. They told me you and Ms.
Applejack have been telling the
town to take it easy on me,
because of the ID cards.

Apple Eden smiles nervously and starts to kneading her
mane.

APPLE EDEN

Nervously Ya... It's just after
yesterday, we didn't think it was
right for everypony to think badly
of you for wanting to make the ID
cards.

Alternate Dawn smiles softly

ALTERNATE DAWN

Thanks. So what brings you over today?

Apple Eden gets off the barrel and pats it.

APPLE EDEN

Well as a thank you for saving me, I wanted to give you some Zap Apple Cider. I made it without any alcohol since I know you don't like to drink.

Alternate Dawn smiles lovingly at Apple Eden.

ALTERNATE DAWN

Thank you. It wasn't necessary though.

APPLE EDEN

I know...

(Starts kneading her mane)

I wanted to do something nice for you. And I wanted to ask you something.

Apple Eden starts to blush, and turns her head away a little.

ALTERNATE DAWN

Well why don't you come in, and I'll pour us a mug of the cider.

APPLE EDEN

(Looks and smiles at Alternate Dawn)

Sure!

CUT TO:

INT. GOLDEN OAK LIBRARY

Apple Eden sits at the table in the kitchen, as Alternate Dawn pours them both some of the cider. He heads to the

table and sees that Apple Eden is kneading her hair still and looks nervous.

ALTERNATE DAWN

So what's on your mind?

Alternate Dawn takes a drink of the cider, and loves how the tastes invigorates his tongue.

APPLE EDEN

I wanted to see if you wanted to make the new ID card with me.

Alternate Dawn almost chokes on his cider hearing this. He turns his head and coughs, spitting out a little bit of cider.

Apple Eden looks at Alternate Dawn, and rushes to him. She pats his back.

APPLE EDEN (CONT'D)

I'm sorry! I didn't mean to make you upset, or anything!

Alternate Dawn raises his hoof and catches his breath.

ALTERNATE DAWN

It's not that. It's just after your Grand Mother wanting to put me threw a wall... I didn't think this would ever come up again.

Apple Eden moves back to her seat. She starts kneading her hair and blushes. She tries to look at Alternate Dawn when she talks, but she quickly looks at the floor out of embarrassment.

APPLE EDEN

Ya... Well... Her and I talked about after we left. She's still wasn't happy with the idea, but she said that it was my chose to be with anypony I wanted to. And as long as I was happy with them.

Alternate Dawn holds his glass with both hands and looks a little down.

ALTERNATE DAWN

Eden... It's just. *Sigh* I do love you. But it's the love of a friend. That same love is why I made the new Perfect Type ID cards with Apple and Surprise.

APPLE EDEN

I... I know. But, I still want to.

Apple Eden uses her mane to hid her face, as she blushes more. Alternate Dawn smiles at her courage.

ALTERNATE DAWN

I'm more then happy to make a Perfect Type ID card with you Eden. But, don't you think your "first time" should be with somepony special?

Apple Eden turns her head her drink and slowly looks at Alternate Dawn, she's embarrassed with what she's about to say.

APPLE EDEN

Well... You see... I've already...

Alternate Dawn eyes widen in shock.

ALTERNATE DAWN

You mean you've already had sex?

Apple Eden puts her head down on the table and uses her hat to hide her face. Alternate Dawn raises his hoof.

ALTERNATE DAWN (CONT'D)

You know what, don't worry. It's not my place.

Apple Eden raises her head a little, she's still blushing.

APPLE EDEN

It's only been a few times... But I've only been with Aerial Ace and Surprise.

Alternate Dawn looks at Apple Eden and blushes. He can't believe what he's hearing, and his imagination starts to run whiled.

APPLE EDEN (CONT'D)

And there was one time when they
held me and got Little-AJ to lick
my pussy...

With all the images that run threw Alternate Dawn's head,
his face is completely red. He falls off his chair due to
the over load.

APPLE EDEN (CONT'D)

Worried Are you okay!

Alternate Dawn slowly gets up from the floor. He's still
embarrassed from what he was thinking.

ALTERNATE DAWN

I'm fine... I just let my
imagination runaway a little.
Sorry for that.

The two sit in silent's for a little bit, as both don't
know what to say.

Alternate Dawn looks up at Apple Eden, and sees that she's
still nervously kneading her mane. He smiles at her knowing
that coming here must of taken a lot of courage on her
behalf.

ALTERNATE DAWN (CONT'D)

Nervously Well.. If you're open
to making a Perfect Type ID
card... Do you want to head to my
room?

Apple Eden nods her head in reply. The two get up from
there seats and leave.

CUT TO:

INT. ALTERNATE DAWN'S STUDY - MOMENTS LATER

Apple Eden and Alternate Dawn sit on his bed nervously.
Every time they look at each other, they quickly look away.

ALTERNATE DAWN

Sorry... I guess I'm not good at
setting the mood.

APPLE EDEN

No... It's okay.

ALTERNATE DAWN

I guess it was a little easier
with Surprise and your cousin
since they took the lead.

The two sit for a moment in silent's. Alternate Dawn looks
at Apple Eden and smiles

ALTERNATE DAWN (CONT'D)

How about we start by kissing and
go from there?

Apple Eden nods. She slowly looks at Alternate Dawn and
moves a little closer. She moves her head a little up and
closes her eyes.

Alternate Dawn moves to Apple Eden. He places a hoof on her
face, and kisses her. Apple Eden eyes open in shock, but
close as she enjoys the kiss.

Apple Eden turns to Alternate Dawn as they kiss and places
her hooves around his neck. Alternate Dawn picks up Apple
Eden and places her on his lap. He slowly moves down to
Apple Edens neck as they make out.

Apple Eden lets out a few whimpers as she moves her left
hoof onto Alternate Dawns head and runs her hoof threw his
mane.

Alternate Dawn starts to nibble lightly on Apple Eden's
neck and he slowly kisses it. She lightly gasps at the
feeling. But her eyes open in shock as she feels something
pushing up on her flank.

Apple Eden lets out a small shriek as she jumps off
Alternate Dawns lap.

Alternate Dawn looks at Apple Eden a little surprised.

ALTERNATE DAWN (CONT'D)

Sorry, was I biting to hard?

APPLE EDEN

No, something...

Apple Eden sees that Alternate Dawn's cock came out, and was pressing up against her. She blushes at the sight of it.

Alternate Dawn looks down and sees that his cock started to become erected, and must have touched Apple Eden. He smiles nervously at Apple Eden.

ALTERNATE DAWN

Sorry! He kind of has a mind of his own.

Apple Eden is a little taken seeing her first cock. She slowly moves back to Alternate Dawn and touches it lightly. She slowly starts to stroke Alternate Dawns cock lightly.

Alternate Dawn can't help but be turned on from seeing Apple Eden stroking his cock. Even if it's a little soft, the sight of her doing this is stunning.

ALTERNATE DAWN (CONT'D)

You can go a little harder if you want.

Apple Eden still a little shy with being with Alternate Dawn, nods her head. She holds his cock with both of her hooves and strokes it harder.

Alternate Dawn tilts his head backwards as he enjoys the feeling. Apple Eden seeing this, starts to apply more pressure. Alternate Dawn lets out a gaps from the feeling. Apple Eden's technic might be basic, but he thinks this is the best hoof-job he's had, and lets out a loud moan in pleasure.

Apple Eden thinking that the more pressure must make a hoof-job better, she applies more pressure. Alternate Dawn's eyes shoot open from the pain.

ALTERNATE DAWN (CONT'D)

To hard! To hard!

Apple Eden lets go of Alternate Dawns cock and backs away. Her eyes start to tear up thinking she hurt her friend. Alternate Dawn holds his cock.

APPLE EDEN

I'm sorry, Alter! I thought the harder I went, the better it would feel for you!

ALTERNATE DAWN

It's okay, Eden. I forgot about how strong you were.

APPLE EDEN

If there's anything I can do too make it up to you...

ALTERNATE DAWN

(Grins)

Well... You could kiss it better.

Apple Eden blushes and is shocked at Alternate Dawn's request. She slowly goes back up to Alternate Dawn and moves her head down. She moves her muzzle down to Alternate Dawn's cock and kisses it quickly.

ALTERNATE DAWN (CONT'D)

Awe, come one Eden. I think he deserves a little bit longer of a kiss.

Apple Eden looks up at Alternate Dawn and nods quietly. She holds his cock lightly and starts to kiss his cock again. For some reason Apple Eden is complied to kiss Alternate Dawn's cock more. As she continues, she opens her mouth and lets her tongue touch his cock.

Alternate Dawn is taken by this feeling. He feels his cock growing as Apple Eden kisses and presses her tongue on his cock.

ALTERNATE DAWN (CONT'D)

Ahh... That feels good Eden.

Apple Eden moves her muzzle to the head of Alternate Dawns cock and kisses it. She opens her mouth to use her tongue, but instead she starts to suck on the head of Alternate Dawn's cock.

Alternate Dawn lets out a gasp. He loves the feeling of his cock in Apple Eden's mouth. He places a hoof on her head and runs it threw her mane.

Apple Eden slowly starts to work her way down on Alternate Dawn's cock. She slowly puts more of his cock into her mouth, letting her tongue drag up and down as she continues. She reaches down and starts to rub her pussy.

Alternate Dawn feeling that he's about cum soon lets out a moan, and taps Apple Eden's head lightly.

ALTERNATE DAWN (CONT'D)

Hey... I'm close to cumming.

Apple Eden looks up in a daze and only nods as she still sucks on Alternate Dawns cock, and pleases herself.

Alternate Dawn places both his front hooves on Apple Edens head and shoves her head down, shoving his cock fully in her mouth and down her throat as he cums.

Apple Eden's eyes widen as her throat and mouth are filled with cum for the first time. She moves her head up and lets Alternate Dawn's cock fall out of her mouth. She coughs a little.

ALTERNATE DAWN (CONT'D)

Sorry Eden! It just felt so good,
that I acted.

Apple Eden cleans her muzzle off, and swallows everything that's in her mouth. She looks at Alternate Dawn and smiles lovingly.

APPLE EDEN

It's okay. It was kind of nice.
I've never sucked on a cock
before, so it was fun.

Alternate Dawn can't help but being turned on hearing this. He moves to Apple Eden and kisses her. As they kiss, he lays her down on the bed. As they make out Alternate Dawn reaches down with his left hoof and starts to rub Apple Eden's pussy.

Apple Eden starts to squirm from the pleasure and moans. Alternate Dawn notice that Apple Eden is already quite wet. He moves above her and slowly starts sliding his cock in her pussy.

Apple Eden opens her eyes and lets out a slight yelp.

ALTERNATE DAWN

Worried Are you okay, am I going to hard for you?

Apple Eden looks off to the side blushing, she shakes her head.

APPLE EDEN

It's just... My first time, having a cock inside me.

Alternate Dawn starts to worry a little. Apple Eden looks at him quickly before turning her head again out of her shyness and being embarrassed.

APPLE EDEN (CONT'D)

Quietly Just go slow for me please.

Alternate Dawn lowers his head and kisses Apple Eden on the cheek. She turns her head and looks into Alternate Dawn's eyes. She wraps her hoofs around his head and kisses him.

Alternate Dawn starts to push his cock in again.

Apple Eden closes her eyes from the pain, and holds onto Alternate Dawn tightly.

Once Alternate Dawn has his cock fully in, he feels Apple Eden's pussy tighten around it. He waits a moment for Apple Eden to get use to the feeling before he moves his cock out slowly.

Apple Eden lets out a few moans, and gasps from the feeling from being fucked for the first time by a stallion. Once she feels Alternate Dawn stop moving, she looks up at him. She knows that his cock is about three-fourths out. She nods at him.

Alternate Dawn slowly starts to moves back and forth slowly, letting Apple Eden get use to the new feeling. But he picks up his speed instinctively.

APPLE EDEN (CONT'D)

Joyfully, but slightly in pain
Alter... It feels so good.

Alternate Dawn looks down at Apple Eden and smiles. He starts to fuck her as fast as he can. He can feel Apple Eden's pussy tightening up around his cock more. The pressure is over joyful.

Alternate Dawn can feel that he's about to cum again.

ALTERNATE DAWN

Eden... I'm about to....

APPLE EDEN

It's okay. I want to feel you cum inside of me.

Alternate Dawn braces himself. He casts the spell to make the Perfect Type ID card, and lets himself cum inside Apple Eden. But since her pussy was so tight, some of Alternate Dawns cum squirts out of her pussy.

Alternate Dawn enjoys the feeling for a moment before he pulls his cock out. He lays down next to Apple Eden who is trying to gather her thoughts. He kisses her on her cheek.

Apple Eden looks at Alternate Dawn and smiles. She moves up to him and holds him tightly. The two stay laying on the bed for a few moments until Apple Eden moves to speak.

APPLE EDEN (CONT'D)

Do you think we could try it with
me on top?

Alternate Dawn is shocked hearing this. He looks at Apple
But Eden.

ALTERNATE DAWN

We only had to do it the one time.

Alternate Dawn quickly finds the new Perfect Type ID card,
and shows it to Apple Eden.

ALTERNATE DAWN (CONT'D)

See, I was able to make your card.

APPLE EDEN
I know... but I thought... It
might be nice.

Alternate Dawn blushes, not knowing what to say. Apple Eden
looks at Alternate Dawn and looks a little down.

APPLE EDEN (CONT'D)
Oh, I guess I wasn't that good.

ALTERNATE DAWN
No it's not that! I just thought
you would want to make the card
and leave.

Apple Eden shakes her head. She doesn't know what to say or
do, so she moves and kisses Alternate Dawn. She pushes him
softly down to the bed. The two look at each other.

APPLE EDEN
If there's something you like... I
could try to do it for you.

Alternate Dawn face turns red hearing his. He turns his
head a little embarrassed.

ALTERNATE DAWN
Could you... Play with my balls,
and lick my cock again?

Apple Eden smiles and nods. She moves down to Alternate
Dawn's cock and balls. She starts to knead his balls, and
licks them slowly. She quickly notices that Alternate Dawn
is becoming hard again.

Apple Eden moves up a little and only uses her tongue to
get Alternate Dawn's cock in her mouth. She slowly sucks on
Alternate Dawn's cock, as she kneads and massages his
balls.

Alternate Dawn lets out as a few moans. He can't believe
how great he feels.

ALTERNATE DAWN (CONT'D)
Eden, this feels sooo good. Keep
going.

Apple Eden can feel Alternate Dawn's cock grow inside her
mouth. She stops sucking on it, and lets his cock come out

of her mouth. She sees that it's still getting hard and growing.

Apple Eden moves and starts to lick his cock. She stops at his ring, and nibbles lightly on it. Alternate Dawn lets out a loud gasp. After licking his cock a few more times, Apple Eden moves on top of Alternate Dawn, and puts her pussy over his cock. She slowly rubs her pussy up and down his cock.

Alternate Dawn squirms at the feeling and whimper lightly.

ALTERNATE DAWN (CONT'D)
Come on, Eden. Don't tease me.

Apple Eden smiles down at Alternate Dawn. She moves up a little and guides his cock into her pussy. Even though Alternate Dawn's cock goes in a little more easier, it slightly hurts still.

Once Apple Eden has Alternate Dawn's cock fully in her, she places her front hooves on Alternate Dawn's chest bracing herself. She slowly starts to move her hips back and forth.

Apple Eden closes her eyes, and starts to pant. She can feel herself about to climax as her pussy tightens around

Alternate Dawn's cock. She leans down a little and starts to move faster.

Alternate Dawn sits up slightly he can feel that they're both about to cum again. He looks at Apple Eden and smiles. He winches as he feels his cock trying to twitch inside Apple Eden, but her pussy has gotten rather tight.

APPLE EDEN

I think... I'm cumming...

Alternate Dawn feels Apple Eden's pussy tighten up more around his cock causing him to cum at the same time as Apple Eden. They both let out loud moans.

Apple Eden lays down on Alternate Dawn with his cock still in her, letting it empty all of its cum inside her. She can barely move and is tired. She slowly moves her head up to Alternate Dawns chest and rests there.

Alternate Dawn feels his cock slide out of Apple Eden's pussy as it release the last of his cum, and shrinks. He sees that Apple Eden is at the point of exhaustion. He looks across the room and opens a closet with his magic. He uses his magic to bring a blanket to the bed, and covers him and Apple Eden.

The two cuddle, and slowly drift off to sleep.

FADE TO BLACK.

INT. ALTERNATE DAWN'S STUDY - MORNING

Alternate Dawn is at his desk with his attention in his books, as he's making notes. He hears light grunting coming from his bed. He looks and sees that Apple Eden is slowly getting up.

ALTERNATE DAWN
Morning Eden.

Alternate Dawn looks back to his books and notes. Apple Eden slowly makes her way to Alternate Dawn and leans against him. Alternate Dawn doesn't pay her much attention as he goes from looking at Apple Eden's new Perfect Type ID card, to his books, and back to his notes.

Apple Eden moans a little, and takes Alternate Dawn's left hoof and places it around her. She then nuzzle into him.

Alternate Dawn looks at Apple Eden and frowns a little.

ALTERNATE DAWN (CONT'D)
Not that I don't mind cuddling
Eden, but I'm trying to get some
work done on the cards.

Apple Eden lets out a small moan, as she pushes into Alternate Dawn, and closes her eyes.

Alternate Dawn lets out a small sigh, and looks at the time.

ALTERNATE DAWN (CONT'D)
It's only seven in the morning.
Did you want to sleep a little
more, or have something to eat?

Apple Eden opens her eyes and looks at the clock. She shakes her head.

APPLE EDEN
Tired, little grumpy No. I need
to head home, and get my chores
done.

Apple Eden slowly slides off Alternate Dawn and heads out of his room. Alternate Dawn follows her to the door. As she goes to leave, Alternate Dawn places a hoof on her back to get her attention.

ALTERNATE DAWN

*A little shy*Hey... Thanks for coming over yesterday and being willing to make the Perfect Type ID card.

Apple Eden turns around and smiles softly. She hugs Alternate Dawn with most of her strength. Alternate Dawn eye's open wide as he feels like he's being crushed.

As Apple Eden lets go, she kisses Alternate Dawn and leaves.
