

OCO MLP 225 Script
"Hey Foal Sister"
D1

Written by

Ryan Denham

Logline: When Zipp and Pipp's sibling spats get out of hand, the Crystal Brighthouse steps in with a magical solution.

Synopsis: Zipp and Pipp have been having a lot of sisterly disagreements recently... and the Crystal Brighthouse has had enough! Trapping the sisters in a seemingly endless succession of void-spaces, the only way they'll find a way out is if they can learn to get on, once and for all!

Characters:

ZIPP

PIPP

SUNNY

DESTINY

LARGE MONSTROUS JUNGLE CREATURE

Song: *"Neigh way, Nuh-uh!"* - Sung by Pipp and Zipp

INT. CRYSTAL BRIGHTHOUSE DAY/VARIOUS

Pipp and Zipp walk down a hallway. Pipp is checking her phone and Zipp has a drink with her. Neither pays attention, so they collide.

ZIPP / PIPP
My drink! / My phone!

1

Launch into a song: "Neigh way, Nuh-uh!" - Sung by Pipp and Zipp in alternating lines (and eventually over one another) as we get a whistle-stop tour of their recently sisterly squabbles. References: "Therapy" - Tick Tick Boom.

- Pipp uses Zipp's mane-brush but leaves it a tangled mess.
- Pipp reclines with a face-mask and reaches OS for some cucumber slices for her eyes, but instead finds Zipp's socks. Zipp walks by *eating* some cucumber slices.
- Pipp 'tidies' some of Zipp's clippings (about local mysteries/conspiracies) from her crime board into the trash.
- Zipp finds her Zoggles with Pipp's hoof polish spilled all over it.
- Sunny leads the two to a shower drain blocked by feathers. They shove a plunger back and forth, accusatorially.

Throughout, they both they slam doors and stomp around in ways that aren't all that respectful to the CBH and it creaks and groans, almost in pain. This goes on and builds, faster and faster in tempo, until, at the moment of crescendo:

ZIPP / PIPP (CONT'D)
AHHHHHHHHH!

2

The floor of the CBH opens up and the two fall in the hole:

EXT. ARCTIC VOID - CONTINUOUS

An endless Arctic Tundra. The hole the sisters fell through hangs magically in the sky like a doorway. Zipp and Pipp blast out of the hole and toward the fresh powder.

ZIPP / PIPP
AHHHHHHHHH!

3

They try and flap their wings but the sidewind is too strong and this only serves to slow them slightly and knock them off balance as they land in the snow with a huge **<WUMPH>**. *Beat*.

Both their heads pop out of the snow looking woozy.

PIPP 4
Snow?! I did not dress for this!
How'd we get here? What did you do?

ZIPP 5
(off the sky hatch)
I think we're still in the Crystal
Brighthouse somehow... It must've
got tired of you yelling.

Zipp and Pipp begin to step up to one another more and more:

PIPP 6
Me?! You're the one yelling!

ZIPP 7
Cuz you always take my stuff!

PIPP 8
Do not!

ZIPP 9
Do too!

ZIPP / PIPP 10
Eugh!

The two sisters turn back-to-back in a huff. Beat.

ZIPP 11
Well... I'm getting out of here.
Come if you want.

PIPP 12
I'll get myself out thank you.

Both sisters roll their eyes at one another and fly off in
different directions. On Zipp, who heads west.

ZIPP 13
(Imitating Pipp in a smarmy way)
I'm Pipp, I do EVERYthing perfect
and I'm a great singer and--WAHH!

A giant snowball hurtles through the air and knocks her back.
On Pipp, who does the same thing, heading east:

PIPP 14
(imitating Zipp)
Oh yes I know everything about
everything and I neeeever do
anything wrong. As if - ACKK!

Pipp is also whacked by a giant snowball, back into Zipp who is blasting back through the sky.
On their original landing zone: A beat of calm, then...

ZIPP / PIPP 15

Ahhhhhhhhhhh!

Both sisters crash back into place with another <WUMPH>.

ZIPP 16

Well, clearly your way was wrong,
sis!

PIPP 17

Neigh way, if you'd watched where
you were flying...

ZIPP 18

Me? You're the one who--

<THWUMP> they both fall through the snow and through another hole in the floor:

ZIPP / PIPP 19

Not agaiiiin! / Please be warmer
this tiiiiiime!

EXT. JUNGLE VOID - CONTINUOUS

A jungle bird <caws> as it flies over the canopy of a sprawling sea of trees. As before, a doorway opens in the sky and ZIPP, PIPP and a torrent of snow shoot toward the ground.

ZIPP / PIPP 20

Ahhhhh!
(impact/swing/fall reacts)

As they hit the tree-line, Zipp and Pipp both bounce off branches, crash through leaves, grab and accidentally swing off loose vines, even bugs - until they eventually land on the muddy, boggy ground. **SPLODGE.**

ZIPP 21

(Woozy) You okay?

PIPP 22

No, Zipp. I'm lost in a magic lighthouse and now I'm covered in mud.

ZIPP 23

You love mud! You covered yourself in mud YESTERDAY.

Pipp cleans herself and flicks mud at Zipp semi-accidentally.

PIPP 24
That was a nourishing cocoa-avocado
face-mask and you know it!

ZIPP 25
It was mud. (chuckles)

Zipp takes a hoof-full of mud and flings it back at Pipp.

PIPP 26
Ew, Ziiiiipp!!

FEROCIOUS CREATURE (O.S.) 27
(HUGE GROWL)

Zipp and Pipp jump back to back and watch as the silhouette
of a HUGE FEROCIOUS CREATURE stalks around them.

ZIPP 28
Okay, let's just fly out through
the trees before we become lunch.

PIPP 29
The trees with the bugs and slimy
vines? No thank you! I say we--

The creature circles closer.

FEROCIOUS CREATURE (O.S.) 30
(HUGE GROWL)

ZIPP 31
Come on, Pipp..!

PIPP 32
You never listen to me! We have to--

The creature recoils ready to attack. Zipp gets ready to fly.

ZIPP 33
No, Pipp, now!

As Zipp is about to launch <THWOSH>. She and Pipp disappear
in a rush of leaves. A HUGE PAW of the creature breaks
through the trees and slams down where they once stood.

FEROCIOUS CREATURE 34
(ROAR!)

Reveal: Another doorway in the ground beneath the claws.

EXT. VARIOUS - QUICK CUTS.

Zipp and Pipp tumble through various locations. They argue mid-air so the ground opens a hole before they can ever land.

Desert void: Sand dunes as far as the eye can see.

PIPP 35
Look at what you've done!

ZIPP 36
What I've done?

Summery Meadow: Rolling vibrant green hills. Bright blue sky.

PIPP 37
You started arguing and made the
brighthouse mad and got us lost!

Moon: A vast grey starry emptiness with low gravity.

ZIPP 38
I started arguing? You're the
arguer!

Golden city: An El Dorado style Golden temple.

PIPP 39
Am not!

ZIPP 40
Are too!

Seapony Realm: Destiny tends coral in the foreground as Zipp and Pipp fall through frame behind with a trail of bubbles.

PIPP 41
(Bubbly garbles of) Nuh-uh!

ZIPP 42
(Bubbly garbles of) Yuh-huh!

As they leave she turns, but sees nothing and shrugs.

DESTINY 43
(Happy hums) Huh?

Finally they crash into:

EXT. OCEAN VOID - CONTINUOUS

Ocean. In all directions. A small wooden raft floats by where Zipp and Pipp land with a <SPLASH>

They rise from the water and clamber onto the raft.

ZIPP (SIMULTANEOUS) 44
(coughing, spluttering)

PIPP (SIMULTANEOUS) 45
Eww this sea water is terrible for
my mane!

They make it aboard the raft and slump back to back, manes over their faces. Beat. They both <sigh> and calm down. In the distance, a storm rolls in and thunder <cracks>.

ZIPP 46
This isn't gonna stop, is it?

PIPP 47
Not until we stop arguing...

Pipp stands up and shivers water off, standing tall, proud and back in control. She turns to Zipp. The storm nears.

PIPP (CONT'D) 48
I guess I probably *shouldn't* take
your stuff without asking...

Pipp extends a helping hoof to Zipp, who considers then smiles and takes it. The two smile and hug.

ZIPP 49
And not all of your ideas are
bad... sometimes... Love you, sis.

PIPP 50
Love you more!

Their cutie marks glow..

ZIPP 51
... It was mud, though. I saw the
critters rolling in it.

PIPP 52
It was NO- AHHH!

CRACK. Thunder and lighting rock the sky. Reveal: The sea has become tempestuous and their raft is breaking apart. Pipp almost falls but Zipp catches her.

ZIPP 53
Okay, we have to..
(catching herself)
What do you think we should do?

Pipp smiles. She feels seen. Then she's in action mode.

PIPP 54
(off the doorway in the sky)
That's our way out so... I guess we
make a break for it?

Zipp nods. And just as their raft fully breaks apart, they take off flying through the storm. They quickly struggle against the strong winds and rain, though.

PIPP (CALLED OVER THE STORM) (CONT'D) 55
We're not going to make it!

ZIPP (CALLED OVER THE STORM) 56
Yes we are. Together.

Zipp extends a hoof to Pipp. She takes it. Their **CM's shine** and they perform a synchronised flight up through the storm.

They smile, almost at the doorway. But then a HUGE dark cloud obscures it, roaring with thunder and lightning. The Sisters share a resilient look and recite a sisterly **cm couplet**:

ZIPP (SIMULTANEOUS) (CONT'D) 57
I'm a princess of a different kind,
Trying to figure out why,
When our cutie marks come to life,
I **bravely** blast across the sky

PIPP(SIMULTANEOUS) 58
I'm a stylish Popstar princess.
My voice makes me strong.
When our cutie marks come to life,
Confidence is my song.

Their **cutie marks aglow**, Pipp and Zipp are able to dispel the huge cloud with waves of magic that erupt from their wings (WEATHER MAGIC!!) and blast through the doorway in the sky.

ZIPP / PIPP 59
Woohoo! / We did it!

EXT. VARIOUS - QUICK CUTS.

Zipp and Pipp blast through each previous location: **Desert void, Summery Meadow, Moon, Seapony Realm** (here they kick up so much mess that Destiny is lost in a cloud of mud)

INT. CRYSTAL BRIGHTHOUSE - LIVING ROOM

Sunny is finishing a house of cards, when...
<CRASH/SPLASH/MAYHEM> shakes the room and it crumbles.

SUNNY 60
What was that?!

Sunny runs over and readies herself in **Alicorn mode**, but:

ZIPP / PIPP 61
(hysterical laughter)

She finds Zipp and Pipp are laying on the ground, surrounded by water, sand, leaves (and a fish) that they accumulated on their journey. The doorway closes beneath them.

SUNNY 62
Well, one of you is going to have
to clean this up...

Zipp and Pipp stop laughing and point at each other.

ZIPP / PIPP 63
It was her!
