

Better Together
Proposed Singer Breakdown_V1

[Verse]

I gotta tell ya something
You're really gettin' on all my nerves - PIPP

I don't know what to tell ya
Sometimes ya get just what you deserve - ZIPP

I really gotta wonder
Why ya act just the way ya do - PIPP

Well if ya think you're perfect
Lemme tell ya I got news for you - ZIPP

[Pre Chorus]

We may be opposites
We may be opposites - ALL
I don't care about that
Cuz as long as we're together
You know that I've got your back

[Chorus]

Cuz it's just
You and me
We're better together - ALL
Don't you agree
We're better together
We're not the same, don't have to be
We see the world so differently
But, I know we'll always be
better together

[Verse 2]

But sometimes you do have an attitude - ZIPP
Excuse me Zipp, that's like so rude - PIPP
Not everything's about you anyway - ALL
Is too

Is not

Is too

OKAY

It's because of you that we're in such a mess

You know I gotta tell ya, you're sounding so high maintenance

[Pre Chorus]

We may be opposites

We may be opposites - ALL

I don't care about that

Cuz as long as we're together

You know that I've got your back

[Chorus]

Cuz it's just

You and me

We're better together - ALL

Don't you agree

We're better together

We're not the same, don't have to be

We see the world so differently

But, I know we'll always be

better together

Woah oh-ohh

Better Together

Woah-oh woah-oh-ohh

Better Together

Cuz it's just you and me - ZIPP

We're better together

Don't you agree - PIPP

We're better together

We're not the same, don't have to be

We see the world so differently

But, I know we'll always be

better together

Woah oh-ohh

Better Together

Woah-oh woah-oh-ohh

Better Together
