

Creativity Zone_Demo V1 Lyrics

[Intro]

Zo-o-o-o-one
I'm in the cre-a-a-tivity zone
I'm in the zo-o-o-o-one
I'm in the cre-a-a-tivity zone

[Verse 1]

It's hard to describe what I feel
When creativity is taking the wheel
It's just this feeling that you get in your head
Makin' you dizzy thinking 'bout all your plans

[Pre Chorus]

The possibilities are limitless
You can make anything that you want, just like this
You could always flip it, glue it down
That's how you know that you're creative now

[Rap drop]

They say Izzy Izzy makes me dizzy
She's a talent, she's so busy
Grab a brush
Grab a bowl
Making stuff not seen before
My technique
Impeccable
My style
Untouchable
I got it, I'm create-able
Is that a word?
I don't know!

[Chorus]

Zo-o-o-o-one
I'm in the cre-a-a-tivity zone
I'm in the zo-o-o-o-one
I'm in the cre-a-a-tivity zone

[Verse 2]

It's hard to describe how I work
A see a vision and the energy bursts
It's just this motion that you get in your hooves
Another project you can put in the books

[Pre Chorus]

The possibilities are limitless
You can make anything that you want, just like this
You could always flip it, glue it down
That's how you know that you're creative now

[Rap drop]

They say Izzy Izzy makes me dizzy
She's a talent, she's so busy
Grab a brush
Grab a bowl
Making stuff not seen before
My technique
Impeccable
My style
Untouchable
I got it, I'm create-able

[Chorus]

Zo-o-o-o-one
I'm in the cre-a-a-tivity zone
I'm in the zo-o-o-o-one
I'm in the cre-a-a-tivity zone

[Outro]

In the zo-o-o-o-one
In the cre-a-a-tivity zone
In the zo-o-o-o-one
In the cre-a-a-tivity zone
