REACTIVE VINYL GLASSES

DJ Pon-3 without her glasses is like Octavia without her bowtie - happens only in bed or in your naughty wet dreams! And since she enjoys EDM - the more purple these glasses get, the better your mix is!

THE SEXY KNOB

One Knob to rule them all,
One Knob to find them,
One Knob to bring them all
and in the DISTORTION bind them

ARTS CREDITS

The UI is perfect & it couldn't be possible without Rariedash's tasteful artworks of Vinyl & Octavia!
