

Elements of Justice

Case 1: Turnabout Fashion

If you've found your way here, then I must thank you! It means you are interested in voice acting in my Phoenix Wright/ MLP: FiM crossover series, Elements of Justice, the unofficial sequel to Turnabout Storm! I feel honored that you'll take the time to audition for any of the parts I need in this series!

Personally, I don't care where you upload your audition at. All I really need is a link to your audition, wherever that is. **You can upload your audition at Youtube, Dropbox, Mediafire, SoundCloud, or whatever the flipping feather you want. Just make sure you send me the link to it.** You may look up how the voices sound like to give a reference. You may audition for more than one character.

Anyway, here are the characters that I'm hoping to get voices for:

Phoenix Wright

Phoenix Wright is generally quite easy-going in his outlook. His relaxed attitude usually leads to his hyperactive friends leading him around or taking advantage of his good nature, usually by

making him foot the bill of large celebratory meals. Wright has repeatedly shown himself to be a loyal friend and lawyer who refuses to back down once his mind is made up. Wright also has somewhat of a sarcastic side that he usually keeps to himself. This tends to manifest itself when dealing with the eccentric characters he comes across, including his friends.

Lines:

- **OBJECTION!**
- **HOLD IT!**
- **TAKE THAT!**
- **GOT IT!**
- **HANG ON!**
- **The testimony contradicts the evidence!**
- **Yes, it's for this very reason, I've returned. Time to bring it to an end.**
- **This pony has been accused of murder? But she's adorable!**
- **Talk about being a Shakespearian actor!**
- **I see what she means when she said the only royal thing about him is that he's a royal pain...**

Athena Cykes

Athena has strong emotions and a powerful drive to win, which can sometimes cause her to be reckless. Widget occasionally picks up on her emotions and blurts out what she's really thinking, much to her chagrin. She likes orange juice after a good workout and gratuitously peppers her speech with French, German, and Spanish, which she apparently picked up while studying in Europe. In court, she uses Widget's holographic capabilities extensively; whereas her co-workers bring hard copies of notes and evidence to read and reference, Athena prefers to store and retrieve the information digitally inside Widget.

Lines

- **HOLD IT!**
- **TAKE THAT!**
- **GOT IT!**

- **I sensed it the moment he took the stand, the discord in his heart!**
- **I've always wanted to bring analytical psychology into the courtroom. The power of psychology will bring a breath of fresh air to the legal system.**

Apollo Justice

Justice is largely characterized by his seriousness and desire to build his self-confidence. He deals with the bizarre situations that are thrown at him by being somewhat sarcastic and critical toward others, including some of his clients. This often puts him at odds with people like Klavier and the Wrights, who often tease him and make him wonder if he is being taken seriously. He frequently makes puns out of his own name and practices shouting for hours at night, calling it his "Chords of Steel", which sometimes makes his voice raspy. While mostly to "improve" his voice in court, these exercises also function to both psyche himself up and make himself feel better.

Lines:

- **OBJECTION!**
- **HOLD IT!**
- **TAKE THAT!**
- **GOTCHA!**
- **My name is Apollo Justice, and I'M FINE!**
- **No matter what the truth is that's waiting ahead, I won't be afraid!**
- **Keep eating like that and the only direction you'll go is sideways.**

Tracy Wright

Similarly to Wright's old assistant Maya Fey, Tracy is bright, energetic and very naïve. However, underneath all this, she is also very perceptive and intelligent, usually being able to piece things together in and out of court even more quickly than Apollo Justice does.

- **Whoa! A marshmallow pony!**
- **So I guess because I'm not a unicorn, I can't learn to teleport, can I?**
- **And now I say the magic words.... ALAZAZAAM!**
- **How about instead of throwing him a "Welcome Back" party, let's throw him a "Congratulations on Winning the Trial" party!**

- **Alright, girls, let's do this! Friendship is magic!**
- **You've told me before you have a lot of experience with murder cases. So even though you haven't done one in a while, it doesn't mean you instantly become a rookie.**
- **I think we may have missed something in that testimony!**

Rarity

Rarity is a female unicorn pony and one of the main characters of *My Little Pony Friendship is Magic*. Rarity works as both a fashion designer and as a seamstress at her own shop in Ponyville, the Carousel Boutique. She acts very proper and she cares about her looks and others. Lines:

- Look upon me Equestria, for I am Rarity!
- Of all the worst things that could happen, this is the! Worst! Possible! Thing!
- Nice is an understatement, I look fabulous!
- Fighting's not really my thing, I'm more into fashion, but I'll rip you to pieces if you touch one scale on his cute little head!
- As fun as creating this haute-couture ensemble that I just finished making? Delightful, non?
- They may not be as sophisticated as some of you Canterlot ponies, but they are my best friends. And they are without a doubt the most important ponies I know.
- No way could somepony as gentle as her be a killer!
- The only thing that is royal about you is that you are a royal pain!

Coco Pommel

Coco is an Earth pony with an off-white coat and two-tone blue mane and tail. Coco is depicted as a soft-spoken and somewhat shy pony. She has become more independent and more outgoing since quitting as an assistant, due to Rarity's generosity.

- Mind if I join you?
- I've worked for Suri for so long, I started to believe that it really is everypony for herself in this town. Until I saw how generous you were with your friends and how generous they were with you. It made me start believing there was something better for me out there.
- Will you please help me out? I didn't kill anypony!
- I can't believe she would stoop so low!
- My life has gotten so much better because of Miss Rarity!
- I'm a costume designer back in Manehattan.
- If that's the case, then who did it?
- Please make sure to tell my friend that I'm alright. I don't want her to worry.

Suri Polomare

Lines:

- Quiet! I pay an assistant to sew and get coffee, not talk. 'Kay?
- It takes some small-town fillies a while to learn it's everypony for herself in the big city, m'kay?
- Hope you realize how fortunate you are to have me as a mentor. Now get me some coffee!
- Well, look who's here. Here to show off your copycat collection? Huh?
- I was in the middle of working on something important, and then police came through my door and arrested me! Some nerve!
- Hmph! I was taking a nice walk around Manehattan, then I seem to notice something.

Prince Blueblood

Prince Blueblood is a royal male unicorn pony who resides in Canterlot. He is the distant nephew of Princess Celestia. He is very snooty and expects to be treated at royalty, making him disrespect anyone who appears socially below him. He will be the prosecutor in the first case in the Elements of Justice.

- **Ewww...! Uh, stay back! I just had myself groomed!**
- **Egh! That hair! It's hideous!**
- **I don't intend to lose to some messy-haired human.**
- **You think I'll lose? I don't think so.**
- **Prepare to taste defeat, filthy human!**
- **What?! That's preposterous!**
- **OBJECTION!**

Playwright

Playwright is a middle-aged stallion who is the director of the plays of the theatre. He's a tad flamboyant, tends to get a little loud, and loves to have perfection in his plays. He is determined to make his audience cheer on the plays he's written.

- **Uh, hello? You guys deaf? You guys have to leave.**
- **I am the one who makes sure that the plays in this theatre are done right! I make sure everything I work on is perfect!**
- **I'm the one who does all the writing, because nopony else knows how to makes things perfect like I do!**
- **Pure genius moves lightning fast! That's how things get done so quickly here!**
- **Now if you'll excuse me, I gotta go get me some lunch. A stallion with the mind of a genius must keep his brain energized with a good lunch!**

Pinkie Pie

Pinkie Pie is a female Earth pony and one of the main characters of My Little Pony Friendship is Magic. Pinkie is hyperactive, excitable, quirky, and outgoing, often speaking and acting in non sequiturs. Pinkie tends to have a lighthearted manner in serious situations. As a result, she is often not taken seriously even by her closest friends, who occasionally call her out on her seemingly illogical behavior.

Lines:

- Hey, you know what this calls for? A party!
- FOREVER!
- Oh, I never leave home without my party cannon.
- Ha-ha, just kidding. OR AM I?!?!? Sometimes I can't even tell!
- Feenie, it's been so long!
- Oooh! That's perfect! A 'Congratulations of Winning the Trial' party! I like the way your little girl thinks, Feenie!
- You have nice names, but I think it could sound more fun. How about I'll call you... Thena and Polly?!
- I can't help it! It's just that I get these really fun dreams, and I didn't want those dreams to stop, so I tried sleeping some more!

Applejack

Applejack is a brave, reliable, strong, mature, and hard-working pony, although headstrong about doing things on her own. Applejack speaks with a Southern American accent, a thick southern drawl. Lines:

- I'm Applejack. We here at Sweet Apple Acres sure do like making new friends!
- What I'm telling you is the honest truth. Let go, and you'll be safe.
- Dear Princess Celestia, I wanted to share my thoughts with you. [clears throat] I didn't learn anything! I was right all along!
- Listen here, you rabid rhododendrons! You mess with one of us, you mess with all of us!
- Didn't think ah'd see you around here again.
- I've gotcha covered for that! Twilight told me that there is a special coming here, so I made some apple pies and apple cider for everypony. Fluttershy also made some salad.
- Why would ah need alcohol? It does nothin' but make you tipsy.

Rainbow Dash

Rainbow Dash is a female Pegasus pony and one of the main characters in My Little Pony Friendship is Magic. She has a sort of tomboyish personality, as she isn't into girly things. She tends to be brash at times.

Lines:

- Hey. I could clear this sky in ten seconds flat.
- See? I'd never leave my friends hanging!
- It needs to be about 20% cooler.
- No disrespect ma'am, but there's a big difference between pushing yourself as hard as you can, and just being reckless. And if being reckless is what gets rewarded around here, if that's what it means to be a Wonderbolt, then I don't want any part of it.
- But that was me! You're you! And it just doesn't matter if you can fly or not. Your routine was amazing 'cause it represented exactly what makes Ponyville special. You do still know what that is, right?
- Hey there Nix!
- I just want to thank you again for saving me back then.
- It's a flying academy. It's where pegasi attend to become future Wonderbolts, the fastest fliers
- in all of Equestria! I've dreamt of being a Wonderbolt ever since I was just a filly.

Fluttershy

Lines:

- Um, excuse me, sir. I mean no offense, but your rhythm is just a teeny tiny bit off.
- Oh no, I'm doing this because you're my very best friend. Right Angel? Oh, yes, we are just doing this for the ticket.
- Were we arguing? I'm sorry.
- Oh no! I wouldn't. I couldn't. I-I don't really have any control when it happens. It just happens. Really. I'm just good with animals. It's my special gift, you know.
- I will get my confidence up and show everypony that I am a good flyer! A great flyer!
- He can be a real sweetheart once you get to know him.
- Oh, Mr. Phoenix! It's so good to see you after so long!
- I made some salad. I... I hope you wouldn't mind.

Judge

The judge is naïve and gullible, but he is said to give the correct verdict without fail. He tends to change his mind very easily, a trait that lawyers on both sides of the courtroom often use to their advantage. The judge often comes across as a bit absent-minded and hard of hearing. This absent-mindedness has led to many comical occurrences in the courtroom. Nevertheless, the judge occasionally shows signs of deep wisdom.

Lines:

- **Order! Order in the court!**
- **I'd like to hear what happened at the time too.**
- **Objection overruled!**
- **Errr, sorry. I fell asleep.**
- **What is the meaning of this?!**
- **Mr. Wright. You are truly the most unpredictable defense attorney I've ever known.**
- **The law is the end product of many years of history... the fruit of human knowledge! Like a gem, polished to a gleam through trials... and errors. It is this fruit we receive, and pass on, and face in our time. And it is always changing, growing. Nurturing it is our task as human beings.**

Spike

- Oh, yeah? Just wait until you see what I have planned for the bachelor party!
- The dragon is the finest creature ever! There's more to it than just guarding treasure!
- Today I learned how important it is to be honest with your friends when they're doing something that you don't think is right. A true friend knows that you're speaking up because you care about them.
- I had a feeling that Twilight is gonna try to summon you.
- Got any jewels in the salad?
